PREFACE

THE SEVEN SUPERNATURAL DIMENSIONS OF FINANCIAL PROSPERITY

It is of paramount significance to unveil the divine truth that while it is every believer's divine legitimate right to amass humongous financial wealth from God in millions and billions, in your quest to partake of these riches which God has made available as an inheritance for every believer in Christ, it is important that you don't be confined to one method of provision. This is because there are various ways of manifesting God's wealth in the natural realm and as a believer, you must not be confined or limited to one method of operation. God has more than a million ways to through which He manifests His wealth, hence He cannot be put in a box or be compelled to gravitate to a lower level of man's thinking. As a new creation believer, you are therefore strictly cautioned to explore these divergent ways of manifesting this special grace in the natural realm. In this critical end time season, some believers will receive supernatural wealth through miracle money, others will receive it through wealth transfer, others will become billionaires through financial multiplication, and others will have their business flourish through miracle repairs, while others shall receive untold wealth through supernatural angelic deposits, supernatural debt cancellation, supernatural financial rain and the golden rain. These are what we call the ***Seven supernatural dimensions of financial prosperity***. This is because they are the current means through which God is sending prosperity to His children.

7 Supernatural Dimensions of Financial Prosperity

Therefore, if you are to receive money from Heaven today, expect it to come through any one of these seven dimensions or a combination of some. In essence, when Paul reiterated the voice of David that *No eye has seen nor ear heard, nor has it entered into the heart of man what God has prepared for those who love Him* (1 Corinthians 2:9), He alluded to these manifestations of the Spirit which shall characterise this end time season. As the glory of God is revealed more and more, things are going to be more exciting as miracles of such a heightened magnitude never seen before shall be unfolded from the Throne Room of Heaven. Depending on the gravity of manifestation, some shall breed awe, wonder and amazement while some shall trigger or provoke just cries of joy and celebration. Believers have indeed been plunged into a season of new things where there shall witness the unspeakable as the spirit realm manifest itself in the natural in intensity. Although there are many ways through which this grace shall be unreservedly poured upon the masses, there are key ways through which it shall manifest in its intensity and viscosity. In this publication, Apostle Frequency Revelator explores the following divergent ways through which the wealth of Heaven is supernaturally transferred into the natural realm by the hand of angels: *supernatural wealth transfer, Miracle Money, supernatural angelic deposits, supernatural debt cancellation, supernatural financial rain, supernatural financial multiplication and the golden rain.*

The greater truth that surpasses all human understanding and transcends all spiritual laws and principles of the universe is that God is prosperity. In other words, His very existence speaks of His superabundance. The moment you say “God”, you are already calling on prosperity because His name means “all-sufficient one”. It is an incontestable fact that God has a sovereign title deed of the whole universe; hence, all the riches of the earth belong to Him (Psalm 24:1, Genesis 14:19, Haggai 2:8). However, not only does He have prosperity but He is prosperity Himself. This means that it is His nature, character, virtue and genetic make-up to be prosperous. Therefore, wherever God is, boundless, fathomless and immeasurable miracles of supernatural provision are bound to happen. Therefore not believing in the message of prosperity is tantamount to not believing in God because if you study the Bible carefully, you will discover that God is in fact prosperity. Hence the prosperity of a new creation is God ordained, God’s idea and God’s desire. God is a success and He produces after His own kind (John 5:4). Therefore, as a new creation, you are the progeny of success. Poverty, lack or failure shouldn’t be a part of your life because the success genes of your heavenly Father are inherent in you.

Apostle Frequency Revelator

The above means that when you came into the Kingdom, you came into the zone of prosperity. You came into a rich heritage; a place of superabundance. When you received Christ into your spirit, you were automatically catapulted into a glorious realm of boundless prosperity. It must therefore be expressly understood that God does not live in the realm of lack but operates and functions in the realm of superabundance. That is why Paul declares in Ephesians 3:20 that, “Now unto him that is able to do exceedingly abundantly above all that we ask or think, according to the power that worketh in us. This is because it is His nature to live in superabundance. As a matter of fact, whenever God says something, He speaks from the position or standpoint of who He is, that is from a position of superabundance. That is why Paul says in Romans 15:29 (GNB Version) I shall come with a full measure of The Blessing. This speaks of the fullness of God and only a man of God can talk like that! The word “Fullness” is a translation of the Greek word “pleroma”, which means to be filled up, full, complete, fully furnished and liberally supplied. In other words, it implies overabundance, an excessive amount, or superabundance. Note that Paul doesn’t say I will come with half or part of the blessings but rather in “fullness”. This implies that the blessing of God does not come in half measures but in fullness. God wants to impart His superabundant nature to you so that as He is rich, so you can also have more than enough and freely dine in superabundance. This is why the Bible declares in 1 John 4:17 that as He is so are we in this world. The phrase “As He is” speaks of His nature, character and sovereign authority and power over all creation. This implies that, as He is rich, wealthy and prosperous, so are we in this world. That is why becoming a Kingdom Millionaire shouldn’t be a hassle at all because it’s part of your genetic make up to be prosperous.

The reality is that the presence of God alone is enough to usher one into the realm of boundless prosperity. The presence of God is itself rich and prosperous; hence there is in the realm of God a dimension called prosperity by the presence. To substantiate this view with reference to scriptural evidence, when the Ark of the Covenant, which represented the presence of God, was brought into the house of Edon, the Bible declares in 2 Samuel 6:10-12 that the man prospered abundantly as God blessed Him. In other words, by virtue of the presence of God, there is a sudden turnaround in situations and circumstances as everything begins to line up for you. As a carrier of God’s presence, this means that you can manifest prosperity wherever you go. This implies that prosperity is contagious and can be imparted; hence, there is such a thing as an impartation of prosperity. In essence, there is no curse of poverty in God’s presence. God has the rightful ownership and title

7 Supernatural Dimensions of Financial Prosperity

deed of the whole universe, with an inscription in His own handwriting and a stamp of His approval. This means that He has committed all this wealth into your hands. Through the supremacy and sovereignty of His grace, God has made available a multitude of blessings in the heavenly store houses that have remained unclaimed, untapped and untouched for ages. As far as God is concerned, there is so much wealth that this generation has not yet fully comprehended or fathomed.

To cement this revelation with reference to scriptural evidence, the Bible records in Genesis 26:12 that, Isaac sowed in the drought season and, in the same year, he reaped a thousand fold. In other words, he was catapulted into the realm of superabundance and amassed enormous financial wealth from Heaven during the most severe or unfavourable climatic conditions. Imagine this remarkable picture of a man sowing amid the desolation of a stark and barren famine, sowing in the belief that God would provide a bountiful harvest in spite of the famine gripping his neighbourhood. This must have been an unusual scene indeed and most likely his neighbours thought he was a crazy man to be sowing seed while the land was dry and dead. Yet in spite of those dire circumstances, Isaac did the unthinkable: he stepped out in faith and began planting seed into the seemingly useless, dry soil. Isaac sowed at such a time when there was absolutely no reason in the natural realm to do so, but he stepped out in faith and scattered seed on the parched soil. In other words, he stepped from the natural into the supernatural and secured survival for himself and the surrounding countrymen. In other words, Isaac sowed beyond circumstances; hence, the conditions were quickly changed. This implies that he sowed to change the conditions and, by so doing, not only did he change his situation but he also changed the conditions of his land and transformed the circumstances of the people around him. Why would anyone sow seed in a cracked soil of a famine-ravaged land and expect a harvest? It's counterintuitive and laughable to the natural man, but Isaac was a man of supernatural faith who refused to make decisions based on his circumstances. That is how he amassed humongous wealth from Heaven to become the most influential millionaire in his generation.

CHAPTER ONE

THE FIRST DIMENSION:

THE DIMENSION OF SUPERNATURAL WEALTH TRANSFER

This involves a supernatural transfer of money or financial resources from the hands of the wicked (unbelievers, sinners, devil's cohorts) into the hands of the righteous (believers, elect, called) in such a way that is inexplicable in the natural realm. This Biblical phenomenon denotes a supernatural transfer of Heaven's wealth and resources in the form of money, gold, silver, oil, investments, property and a myriad of other riches in glory from the worldly systems in possession of unbelievers into the hands of believers whom God has ordained or set apart to finance His end time agenda, plans and purposes (Job 27:13; 16-17; Proverbs 13:22; Proverbs 15: 6 ; Haggai 2:7-9).

7 Supernatural Dimensions of Financial Prosperity

It is worth noting that we are living in the most critical and momentous days in the history of the earth. This is a special end time season whereby God is lifting up His people especially in the arena of financial provision so that they can quickly expedite His divine plans and purpose on earth. It must be understood that while it is possible for God to rain Miracle money directly from Heaven, some of the financial resources which God is going to unleash upon His people will not come directly from Heaven as in the case of Money rain. Instead, they are already located in the earthly realm yet in possession of unbelievers. What God simply does is to supernaturally transfer, shift or move these finances from corrupt, bogus, wicked people of this world into the hands of His children who are ready to use them to propagate the gospel of the Lord Jesus to the extreme ends of the world. This supernatural transfer of wealth will take place in a way that ordinary people of this world will not understand. Even Bank experts with all their specialised Accounting knowledge, will not be able to comprehend the dynamics of this divine phenomenon. This shall be a time when God distinctively separates the righteous from the wicked. The Bible records a spectacular incident in Exodus 10:21-11:10 whereby on a given day, while there was thick darkness which covered the whole of Egypt, there lights in Goshen, which was the land inhabited by the Children of Israel. In other words, there was a transfer of light from the wicked to the righteous. This is the same principle by which God uses to transfer wealth from hands of the wicked to the righteous. While there is financial darkness engulfing the wicked in the World economy, characterised by a crash in stock markets and loss of humongous wealth, there shall be abundance, increase and profits for the righteous. Therefore, the accounting principle for Miracle money is to *credit* Satanic warehouses and *debit* Godly warehouses, since the wealth of the wicked is laid up for the righteous.

Did you know that a huge chunk of \$342.2 Billion is in the hands of just 10 people in this world? And how many of these World top ten business tycoons are believers? In view of the above statistics, it is evident that the bulk of this world's wealth is in the hands of unbelievers. This is a quintessence of the wealth that God is supernaturally transferring from the hands of wicked man into the hands of the righteous in this season, for the furtherance of the Gospel of His Son, Jesus Christ. This is what Prophet Isaiah in the past generations saw by prophetic perception in the realm of the spirit and then

Apostle Frequency Revelator

decoded it in prophetic language as a *new thing* (Isaiah 43:19). It is a new thing in the sense that it's a prosperity wave that is currently sweeping across the Body of Christ as multitudes are thrust into the new reality of God's supernatural provision. However, as far as God is concerned, wealth transfer is not a new Biblical concept in the realm of prosperity but a divine phenomenon that has transpired across past generations. However, the gravity and intensity of its manifestation shall be heightened in this end times in what I call the *final wave of prosperity*. There is a divine prophetic revelation in the realm of prosperity that in the end time dispensation, the church shall gather humongous wealth and resources from Heaven, so that it can use them for the proliferation, propagation and furtherance of the gospel. This supernatural transfer of wealth is based on the following catalogue of God's prophetic words declared through the voice of Prophet Isaiah, saying,

'The wealth on the seas will be brought to you, to you the riches of the nations will come. (Isaiah 60:11) 'Your gates will always stand open, they will never be shut, day or night, so that men may bring the wealth of the nations (Isaiah 61:6). 'You will feed on the wealth of nations, and in their riches you will boast'. (Isaiah 66:12) 'I will extend peace to her like a river, and the wealth of nations like a flooding stream'.

FIRST WEALTH TRANSFER

In a Biblical context, this phenomenon of wealth transfer has already transpired six times. The *First Wealth Transfer* took place in Genesis 12:10 in Egypt whereby famine struck the land, compelling Abram to go down to Egypt. While there, the Egyptians saw Sarai's beauty and spoke highly of her to Pharaoh, who decided to take her for a wife. Believing that Sarai was Abram's sister, Pharaoh entreated Abram and gave him sheep, oxen, servants, cattle, and much wealth. After the Lord had plagued Pharaoh and he discovered that Sarai was actually Abram's wife, he eventually gave her back. But Pharaoh never asked for the wealth back. Pharaoh then gave Abraham a lot of wealth such that he left Egypt a very rich man in cattle, in silver, and in gold (Genesis 13:1-2), which were the highest measure of wealth in the world at that time. This was the first recorded wealth transfer from the wicked to the righteous.

7 Supernatural Dimensions of Financial Prosperity

THE SECOND WEALTH TRANSFER

The Second Wealth Transfer took place in Genesis 26:1 when Isaac was about to go to Egypt and God interrupted him and through a divine arrangement of circumstances in the realm of the spirit, He caused him to meet Abimelech of the Philistines and God transferred the Great wealth of Abimelech to Isaac. Consider what the following scripture has to say about Isaac: “*Then Isaac sowed in that land, and received in the same year a hundredfold and the Lord blessed him. And the man waxed great, and went forward, and grew until he became very great. For he had possession of flocks, and possession of herds, and great store of servants and the Philistines envied him*” (Genesis 26: 12-14). Here again we see a wealth transfer taking place. Not only did Isaac inherit the wealth from his father Abraham, but he also received a great wealth transfer from Abimelech— so much that the Philistines told Isaac, “*Go from us, for you are much mightier than us*” (verse 16). Note that both Abraham’s and Isaac’s wealth transfers took place in times of famine. This is to tell you that your prosperity is not dependent upon the world’s economic conditions. Instead, it is dependent upon the Word of God, which is an infallible manual by which we access all financial resources from Heaven!

THE THIRD WEALTH TRANSFER

The Third Wealth Transfer took place in Genesis 30:25-31 when God blessed Jacob after working for Laban for seven years and God gave Jacob the wealth of Laban. This is evident in Jacob’s confession to his wife Rachel: “*You know that with all my power I have served your father. And your father has deceived me, and changed my wages ten times, but God suffered him not to hurt me. If he said thus, the speckled shall be your wages; then all the cattle bare speckled: and if he said thus, the ring straked shall be your hire; then bare all the cattle ring straked. Thus God has taken away the cattle of your father, and given them to me*” (Genesis 31:6-9). When Laban cheated Jacob by making him work for another 7 years, although in the natural realm that seemed to be an unfair act, God used it as an avenue, leeway and reason to transfer wealth from Laban to Jacob.

THE FOURTH WEALTH TRANSFER

Subsequently, the *Fourth Wealth Transfer* transpired in Genesis 41 when God gave Joseph favour to interpret dreams and became the wealthiest man in Egypt within a flip of a moment. Joseph received the wealth of the *superpower* Egypt. Consider how Pharaoh handed over the wealth of Egypt to Joseph, on a silver

Apostle Frequency Revelator

plate: "Forasmuch as God has shown you all this, there is none so discreet and wise as you are. You shall be over my house, and according to your word shall all my people be ruled. Only in the throne will I be greater than you. And Pharaoh said to Joseph, See, I have set you over all the land of Egypt. And Pharaoh took off his ring from his hand, and put it upon Joseph's hand, and arrayed him in vestures of fine linen, and put a gold chain about his neck; and he made him to ride in the second chariot which he had, and they bowed before him and he made him ruler over all the land of Egypt. And Pharaoh said to Joseph, I am Pharaoh, and without you shall no man lift up his hand or foot in all the land of Egypt" (Genesis 41:39-44). Imagine God gave His servant Joseph the wealth of the entire nation of Egypt was the richest in the world at that time! Pharaoh even gave Joseph control of all of Egypt's business and economy. This was indeed an enthralling wealth transfer in action.

THE FIFTH WEALTH TRANSFER

The *Fifth Wealth Transfer* is recorded in Exodus 12: 35-36 when the children of Israel stripped the Egyptians of humongous wealth that belonged to them and left Egypt with alarming wealth after being in bondage for four hundred years in Egypt. David also speaks of this supernatural wealth transfer when he testifies in Psalms 105:37-38 that the children of Israel brought silver and gold out of the land of Egypt. This was a fulfilment of scripture because God had promised Moses that when the Israelites come out of Egypt, they would leave with the wealth of the Egyptians. This is what God had ascertained: "*I am sure that the king of Egypt will not let you go, no, not by a mighty hand. And I will stretch out my hand, and smite Egypt with all my wonders which I will do in the midst thereof, and after that he will let you go. And I will give this people favor in the sight of the Egyptians, and it shall come to pass, that, when you go, you shall not go empty: But every woman shall borrow of her neighbor, and of her that sojourned in her house, jewels of silver, and jewels of gold, and raiment: and you shall put them upon your sons, and upon your daughters; and ye shall spoil the Egyptians"* (Exodus 3:19-22). Can you imagine what happened that night after God had slain all the firstborn males throughout Egypt? Think of what it was like when the Israelites went to the Egyptians, who had just lost sons and been ruined by all the plagues, yet these same Egyptians gave them their wealth. That was truly a miracle of transfer!

THE SIXTH BIBLICAL WEALTH TRANSFER

The *Sixth Biblical Wealth Transfer* took place in 1 Chronicles 1:11-12 when God gave Solomon the wealth of the nations and made him the richest man

7 Supernatural Dimensions of Financial Prosperity

in the world. In the *six wealth transfer*, God Almighty not only gave Solomon the wealth of one nation, but the wealth of the nations of the world. King Solomon exceeded all the Kings of the earth in riches and wisdom (1 Kings 10:23). Think about it! He was the richest man on the planet because of God's great wealth and favor!

THE SEVENTH WEALTH TRANSFER

The *Seventh Wealth Transfer* is the portion of the end time dispensation. It is the one which God is abundantly pouring out upon the church in this present hour. It is the blessing of the last dispensation and marks the beginning of the final wave of prosperity. Next in line for this great wealth transfer is you! Remember that the wealth of the sinner is laid up for the just (Proverbs 13:22). The Lord wants to give you the wealth of the sinner to establish His covenant: *"Thou shalt remember the Lord thy God: for it is he that giveth thee power to get wealth, that He may establish his covenant which He swore unto thy fathers, as it is this day"* (Deuteronomy 8:18). His covenant is the Gospel of Jesus Christ, His Son, for the nations! God will give you the wealth of the sinner so that you can support the preaching of the Gospel to the extreme ends of the world! This wealth transfer is just around the corner! Concerning the wicked possessing the World's wealth, the Lord said, *"Though he heap up silver as the dust, and prepare raiment as the clay, He may prepare it, but the just shall put it on, and the innocent shall divide the silver"* (Job 27:16-17). Therefore, get ready for this alarming wealth that is going to rain upon your life and catapult you to the realm of billionaires in this end time season.

It is of paramount significance to highlight in this regard the greater truth that God's desire has always been to transfer wealth and riches from unbelievers into the hands of believers so that they can carry out His divine plans and purposes on earth on behalf of the Kingdom. To substantiate this divine truth, the Bible declares in Proverbs 13:22 that *the wealth of the sinner is laid up for the Just*. I like the Amplified version because it puts this concept of wealth transfer in its correct divine perspective. It states that *the wealth of the sinner [finds its way eventually] into the hands of the righteous, for whom it was laid up*. This speaks of an automatic wealth transfer agenda divinely orchestrated directed from Heaven, to move alarming levels of wealth, property and money from unbelievers into the hands of believers for them to be elevated to the realm of End Time Kingdom Millionaires and Billionaires. Moreover, in a related scripture in Job 27:16-17 (NIV) God declared that *"Though the unbeliever heaps up silver like dust and clothes like piles of clay, what he lays up the righteous will wear*

Apostle Frequency Revelator

and the innocent will divide his silver". The international version expresses this in a very powerful way. It says,

"Evil people may have piles of money and may store away mounds of clothing. But the righteous will wear that clothing, and the innocent will divide that money."

The narrative continues in Verse 19 (NLT) to emphasize that, *"The wicked go to bed rich but wake up to find that all their wealth is gone."* This is the divine concept of supernatural wealth transfer which God is unveiling in this present hour. Through this programme, agents of darkness such as Satanists, devil worshipers, magicians, worldly men and demons who have been specialising in twisting, manipulating and stealing the finances of believers shall loose humongous wealth into the hands of believers. Moreover, the Bible declares in Ecclesiastes 2:26 (NIV) that, *"To the person who pleases Him, God gives wisdom, knowledge and happiness, but to the sinner, He gives the task of gathering and storing up wealth to hand it over to the one who pleases God"*. The New International Version expresses it in a more informative way by stating that *"If a sinner becomes wealthy, God takes the wealth away and gives it to those who please Him."* Proverbs 28:8 (NLT) expresses this divine concept of wealth transfer in a different but enlightening way. It states that, *"Income from charging high interest rates will end up in the pocket of someone who is kind to the poor."* This implies that as a believer, the wealth of the wicked is looking for you, hence you need to rightly position yourself in the spirit so that it can locate you. Therefore, in this season, divine favour, supernatural ideas, wisdom, supernatural connections, divine opportunities and divine arrangement of circumstances and supernatural doors shall align themselves to you.

This implies that there shall be a mega shift, sudden transition and revolutionary leap from Worldly Billionaires into God's Billionaires as wealth and property supernaturally slips from the hands of unbelievers into believers for the furtherance of the gospel. *The question you are probably asking yourself is: How will this transfer take place?* Firstly, investment or business doors will be shut against the wicked unbelievers while opportunities are supernaturally opened and available to believers in the natural realm. This process shall be well managed by angels such that there shall be no flaws. Unbelievers will just wake up and in a flip of a moment all their millions and billions worth of investments will be gone. When this happens, no theory or monetary policy shall be able to provide a viable explanation, solution or answer to this phenomenon. Believers shall therefore rise with such alarming financial power to direct the world economy through establishing banks, malls, trade centres,

7 Supernatural Dimensions of Financial Prosperity

and be in possession of the best properties and assets in the world. Secondly there shall be an unexpected crash in the global stock markets such that at the end of the process, humongous investments would have supernaturally slipped into the accounts of believers. Thirdly, this shall be made possible through a supernatural appearance of Miracle money directly into the accounts of believers through *angelic deposits*. This is indeed the best time for one to become a Kingdom Millionaire. Therefore the above stated scriptural reference is ample evidence of the reality of wealth transfer which God has planned for His church in these end times.

Prophetically speaking, there is coming the greatest financial invasion ever witnessed in the history of humanity. The manifestation of this blessing is at an all-time high and imminent as we are approaching a “*Blessing manifestation of glory*” which is a supernatural explosion of wealth in ways and intensity that the human race has never seen before. In the current end time dispensation, there are a multitude of wealth reservoirs that shall be taped and drained into the gospel of Jesus Christ as the Lord is restoring the earth to its rightful position of possession of wealth and resources. There shall therefore be an explosion of wealth into the Body of Christ such as never seen before. There shall be a large scale supernatural transfer of wealth into the bank accounts, investments, houses, bags, wallets and even clothes of Christians for the purpose of propagating the gospel of Christ. Everything the world has and is using it for evil shall be claimed by believers and used for the propagation of the gospel across the world, just before the Master returns for the Grand Finale of the earth.

A SEVEN-FOLD PROPHETIC REVELATION OF THE AFTER MARTHAS OR REPERCUSSIONS OF THE END TIME WEALTH TRANSFER

- Unbelievers in possession of a large proportion of the world's wealth and resources shall supernaturally loose humongous wealth, property and investments in ways that will defy natural laws of finance and confound the wisdom of the most intelligent World Bankers, Economists and Financial Experts (Proverbs 13:22). In other words, money shall be supernaturally credited on the account of the unbelievers and debited on

Apostle Frequency Revelator

the accounts of believers in such a way that the books in the banks and economy will remain balancing from an accounting point of view. This shall instantaneously give birth to Kingdom Millionaires and Billionaires who shall be elevated to the centre of the world stage to dominate the best of the world's investment and most lucrative properties.

- Multitudes of believers shall supernaturally obtain wealth in their bank accounts, wallets, houses and other unexpected areas (Ecclesiastes 2:26). In other words, millions in Miracle money shall supernaturally appear in places where people never thought it could. This shall be used for the furtherance of the gospel. No scientist, accountant, or even the most intellectual professor will be able to provide a comprehensive explanation of where this Miracle money came from, how it manifested in the natural realm and why it was transferred.

- The economies of the world shall be shaken to their very foundations to pave a way or accentuate an avenue for a smooth wealth transfer process. A global crash of stock markets and unexpected loss of wealth through investments by unbelievers shall characterise this wealth transfer season (Proverb 13:22) and the process shall be well managed and regulated by angel tellers such that there shall be nothing questionable from a natural perspective. The “*Invisible hand*” which economists emphasises as being responsible for regulating the economy and prices of stock markets shall be turned into “*God's Visible hand*” as He moves and manoeuvres the monetary and economic system in favour of believers.

- There shall be a sudden, unexpected and hilarious rise of Kingdom Millionaires and Billionaires from every sphere of life in the Christian realm and it shall be evident that wealth is now in the hands of believers. People whom the world had undermined, subjugated and held in contempt for a long time shall be instantaneously catapulted to the realm of control and possession of the world's humongous wealth and riches.

7 Supernatural Dimensions of Financial Prosperity

This shall transpire in the same way God used the four lepers to bring forth an economic revival in Syria by looting the camp of the Syrian soldiers (2 Kings 7:1). As Prophet Elisha described in prophetic language, unbelievers shall only see it but not partake of it.

- Godly justice and equitable distribution of wealth shall be fostered as believers are elevated to a position of control, possession and ownership of wealth. As a way of prophetic fulfilment of the scripture that the earth waits in earnest expectation for the manifestation of the sons of God (Romans 8:19), believers shall use their financial power to take over where the governments of the world has dismally failed to render services to the poor, needy and orphans. Therefore, there shall be widespread works of charity, donations just like the wealth revival during the early church where believers brought forth their wealth to distribute to the poor, such that no one lacked anything. God ordained ministries shall receive tithes from certain countries and global financial institutions shall give alarming wealth to the church in the form of donations. Companies' social responsibility projects shall be directed towards the church in this critical end time season.

- Demonic powers and forces confined to the second Heaven, shall be severely shaken. In other words, a season of great spiritual shaking or awakening shall invade the world's monetary and economic system as God declared through the voice of Prophet Hagai saying, "*Once more and in a little while I will shake the Heaven, I will shake the earth and I will shake the sea and the earth shall be filled with My glory*" (Hagai 2:6-7). Wealth transfer shall be a product of this end time shaking. In other words, agents of the devil such as Satanists, devil worshipers and magicians who possesses a large portion of the World's wealth, businesses and companies and are using them for manufacturing satanic products, shall be dethroned and taken out of business (Proverbs 28:8). A season of widespread unusual miracles, signs and wonders that shall culminate in the raising of the dead, shall proceed the dismantling of these satanic forces, paving a way for millions of wealth to stream in the direction

Apostle Frequency Revelator

of the righteous, to the extent that it shall be common to see believers owning millions of wealth and property.

- A season of distinction shall be birthed in which believers are separated from unbelievers and genuine Christians are separated from pretenders or fake ones and those who are using the name of God to pursue their own deceitful interests shall be exposed. Believers shall be clearly known by their degree of prosperity and the magnitude of wealth they have amassed. They will begin to prosper and continue to prosper until they have reached the brink of prosperity (Genesis 26:13-23). This shall accentuate an avenue for the coming of the Lord Jesus Christ as the church shall be brought to a level of perfection and sanctification.

CHAPTER TWO

THE SECOND DIMENSION: THE DIMENSION OF MIRACLE MONEY

The recent controversial debate that has surfaced across the Body of Christ with regard to the origin of Miracle money, is ample evidence that multitudes of believers are still sailing their boats through shallow streams of spiritual understanding, where Miracle money is concerned. Hence, this chapter is a means to dispel any myths which multitudes of people have engraved in their minds concerning Miracle money and to present a correct picture and accurate perspective of how Miracle money manifests in the natural realm. The greater truth is that many of God's miracles of provision have never been revealed in the previous generations but are a brand new package unfolding directly from the Throne Room of God as He manifest His last wave of signs and wonders. I know that I'm about to step on some religious toes but the truth is that the Bible only tells us a little of what Jesus did while He was on earth. If every miracle He performed were to be recorded, this world would not have enough capacity to contain the books.

Apostle Frequency Revelator

John concurs with this divine truth when he says,

“And there are also many other things which Jesus did, which, if they should be written every one, I suppose that even the world itself could not contain the books that should be written” (John 21:25).

In view of this divine truth, there is a level or dimension in the realm of God's power called, “The realm of the unrecorded miracles,” which unfolds new manifestations of the Spirit from deeper territories of the glory realm, which are unfamiliar to the status quo. It is evident that in this season that as we walk in the footsteps of our role model, Jesus Christ, we are stepping into the realm of the undefinable, uncharted and unrecorded miracles, signs and wonders. This alludes to miracles which humanity has never seen or heard of before. They are not recorded, not talked about and not even known. They are alien to the natural mind and foreign to man's thinking. In actual fact, when Jesus made a public declaration that greater things than these shall you do (John 14:12), He spoke in the context of these unusual brand new miracles which shall become a major characteristic feature of the end times. Although some might feature in the Bible, yet others might not have been recorded but reserved as a spectacle of the end time dispensation. With regard to the unveiling of these new dispensational manifestations, God declared through the voice of Prophet Isaiah saying, “Behold, I'm doing a new thing! They are created now, and not so long ago, you have not heard of them before today, so you cannot say, “Yes, I knew them” (Isaiah 48:7). Why is He telling you? Because there are certain things that God is brewing the spirit realm which man in his natural senses does not perceive. He is also telling you so that in tandem with what He is doing in the realm of the spirit, you can also do the same in the natural realm. God is about to do something so brand new that you won't yet have the language to describe it, neither will you have any vocabulary to speak about it. It would be like what Paul penned as “Something inexpressible for man to tell” (2 Corinthians 12:14). What God is about to do in this kairos moment is something unfamiliar to your status quo? You will run to your dictionary and not find its meaning. You will even try and peruse through your Bible and not find it because it falls in the realm of unrecorded miracles. The reason why God calls it a “new thing” is because it doesn't have a name as yet. It's a brand new phenomenon unfolding from the Throne Room of Heaven such that even the angels are still trying to comprehend it. You too will not be able to look at it or recognise it because it will be completely brand new. You will not call it by the name you used in

7 Supernatural Dimensions of Financial Prosperity

the past, hence you would need a new vocabulary to describe it. That is why in this season, you will call it “Miracle Money”.

It therefore suffices to adjudicate that believers in this end time season shall be elevated into a dimension of unrecorded miracles to the extent of raining down Miracle money in a similar fashion in which Elijah rained down fire from Heaven. This is unequivocally a time and season for the proliferation of “new things” as Prophet Isaiah described in prophetic language. When manna was rained down from Heaven for the first time, to the children of Israel, it was something brand new, which they had never heard of, nor did they have a reference point as it never manifested in the previous generations. In a similar vein, there are certain special miracles which God has reserved for this end time season, which marks the conclusion of God’s eternal plan on earth. Such a torrential rain of miracles will dumb found the sceptics and ruffle the feathers of those comfortable with the status quo because it will not be possible for anybody to trace them, research about them or even predict their occurrence. Metaphorically speaking, you are about to witness a warehouse of miracles and a factory of signs and wonders that will dazzle the minds of the masses and leave the critics dumbfounded to the last degree. As you step into the arena of divine exploits, to demonstrate the undefinable, uncharted and unrecorded miracles, the masses are about to witness a catalogue of supernatural acts that will culminate in an unprecedented avalanche of the rain of Miracle money from Heaven, in what we describe in spiritual terms as “Money Rain”.

In this last wave of signs and wonders, many people around the world are beginning to experience money supernaturally appearing in their purses, pockets, bank accounts and other unexpected places. Moreover, instant debt cancellation, coupled with the supernatural wealth transfer are increasingly becoming commonplace as this wave of generosity swells with Kingdom wealth. The viscosity of the glory of God is evidently being released in this day with a flow of financial blessing! In this season of established prosperity, scriptures are being fulfilled right in front of our very own eyes as Paul penned: “I pray that you may prosper in every way and that your body may keep well, even as I know your soul keeps well and prospers” (3 John 1:2). It is interesting to note that Paul’s prayer is being unreservedly answered in this end time season of boundless prosperity. Heaven is expediently responding to this prayer through the dispatch of humongous financial wealth from its Store Houses upon the masses, in the form of Miracle money. This is to tell you that God has an end-time transfer of wealth available for you as He is

Apostle Frequency Revelator

releasing the rain of Miracle Money in abundance.

This is undeniably an hour of the global demonstration of Miracle Money and the season is rife for the worldwide precipitation of the rain of money, to expedite God's purpose on earth. We have already felt the first sprinkles of the waves of Miracle money revival sweeping across the Body of Christ. As one enlisted in God's agenda for prosperity in this season, I can literally sense it in the very atmosphere. Heavens are pregnant with the possibilities of God as the spiritual clouds are raging and winds are billowing, depicting their readiness to birth forth new manifestations. The skies are shifting and the waves are changing, heralding the dawn of a new season of Miracle Money. There has never been a season when Heaven is so aligned with the earth like the present time. This is unequivocally the "God moment", a ripe season for God to act and usher a new move of the Spirit, which will give birth to new manifestations of the Spirit. Pertaining to the seasons as chronicled in the calendar of God, the Bible speaks of the Sons of Issachar who had an acute understanding of times and seasons of God, hence they knew what Israel ought to do at a time. It specifically says, "From Issachar, men who understood the times and knew what Israel should do—200 chiefs, with all their relatives under their command (1 Chronicles 12:32). In other words, they were gifted by God in a special way as they were catapulted into the realm of prophetic perception. This is a spiritual sight necessary to see what God is doing in the invisible arena and in tandem with Him, you do exactly the same in the visible realm. It incorporates the ability to see the unseen, hear the unheard and then speak the unspeakable. This means that your imagination was intended by God to be the lens through which you apprehend the realms of spiritual realities and in terms of the current times and seasons as stipulated in God's calendar, all scriptural evidence seem to align with the divine truth that this is indeed the most ripe season for Miracle money! In other words, the season of the global precipitation of the rain of Miracle money has just exploded. Therefore, the most integral question that we should ask ourselves in this critical season is:

In what direction is the Wind of the Spirit blowing and are we navigating the high seas of adventure by setting our sails to catch the Wind?

This is because quails are being blown in our direction, so to speak, in this end time season as God is calling men and women to step into deeper territories of the Glory Realm, to unravel the fullness of His loving grace on behalf of His children. Only if you could step into the Wind with a sense of urgency when it begins to blow, then you will hear where you need to go.

7 Supernatural Dimensions of Financial Prosperity

God says, “The sound of the blessing is reverberating in the Wind. I have put the name of the blessing in the Wind because this is an hour that My people will begin to direct the Wind. Therefore, call forth provision from the North, West, South and East and as you begin to loose your breath, the blessing in the Wind will begin to settle on My people and they will be blasted into the new territories of their manifested destiny”. Metaphorically speaking, the clouds are saturated, the skies are changing and the winds are billowing in the direction where lack, poverty and insufficiency has enthroned itself in the fabric of humanity. This is why it is expedient in this Kairos moment that you flow in the current of the river of Miracle money because you may know your season but if you don’t know your time (God-moment), you might act after God has passed by. And it is spiritually dangerous for a believer to be standing at a bus stop, waiting for God yet He has long passed by. Evident in this last wave of prosperity is the realization that both the times (Kairos) and seasons (Kronos) are coming together, culminating in the highest concentration of God’s power on the earthly realm. It is for this reason that Miracle money is a key characteristic feature of this last wave of prosperity because it is a product of the rain of God’s glory. This is the vision which Prophet Habakkuk saw in the olden days when he prophesied by the Spirit saying,

“Write down the vision and make it plain on tablets so that the one who reads it, may run with it. For the vision awaits an appointed time; it speaks of the end and will not prove false. Though it linger, wait for it; it will certainly come and will not delay” (Habakkuk 2:2-3).

This portion of the scripture prophetically speaks of the end time season whereby believers shall be catapulted into the greater depths of the miraculous, to an arena of divine exploits in which they practically demonstrate the uncharted and unrecorded miracles, one of which is the rain of Miracle Money. Do you notice that it says a vision awaits an appointed time, but at the end, it shall speak? The appointed time has come, hence Miracle money speaks and cries out for men or women of faith to tap into the spirit realm and command it to manifest in the natural realm. It cries out in the hands of the wicked man of this world and its desiring for the righteous to possess it and use it for Kingdom purposes. David prophetically declared in Psalm 102:13, “Thou shall arise and have compassion on Zion, for it is time to show favor to her; the appointed time has come.” It is undeniably evident that the time for a greater manifestation of Miracle money grace has come. This is indeed the set time to walk in the revelation of the fullness of sonship in Christ by practically demonstrating the Miracle money grace which God has

unreservedly poured upon the Body of Christ in this end time season.

DEFINING THE PHENOMENON OF MIRACLE MONEY

It is of paramount significance in our analysis of the phenomenon of Miracle money that we define it from a holistic perspective. In order to fully understand what Miracle money is, you need to understand first what a miracle is. By definition, a miracle is a phenomenal or supernatural occurrence in the natural world that surpasses all known human understanding, and more often than not, cannot be explained by the laws of nature. It is worth exploring the divine truth that God sovereignly governs the Universe with laws and He never operates contrary to His Word or to the laws of nature which He has established, but He has the prerogative to override them. Likewise, Miracle Money is a supernatural intervention in which God bypasses natural laws to freely precipitate the rain of money upon His children. Money itself is never a miracle because it is a unit of exchange used to facilitate economic transactions but when its manifestation in the natural realm can only be traced to divinity, and is beyond human comprehension, it is said to be Miracle money. It is of paramount importance in our understanding of the divine phenomenon of Miracle Money that we clarify the difference between a blessing and a miracle. As aforementioned, a miracle is a supernatural intervention of God in a crisis situation, bypassing the natural laws in the physical realm. On the other side of the coin, a blessing is a supernatural influence, metred by God's favour and benediction that causes all things to work out for you and align with God's purpose in your life. A blessing is still God's power divinely orchestrated in the spirit realm, but it flows through natural channels. Blessings supersede miracles in that a miracle can be a blessing. If you live your life from one miracle to the next, you will live from crisis to crisis. It's better to be blessed with good health than to always need divine healing because God's will is for us to walk in the blessing. However, we all need a miracle at some time to simply jump-start our faith.

If it weren't for miracles, we wouldn't grow to the point where we could walk in the blessings of God. So, miracles introduces us into the realm of walking in the fullness of God's blessings in a similar fashion in which a river ushers its waters into a Lake. This is because its manifestation in the natural realm always points us to the Blessor, who is God. Miracle money is one of those reserved miracles which God is using to bless His children in the end times, hence we need to catch a revelation of how to receive it and also demonstrate it upon others. As much as there are greater truths and lesser truths as unveiled in the word of God (Genesis 1:16), there are also greater spiritual laws

7 Supernatural Dimensions of Financial Prosperity

and lesser spiritual laws. Miracle Money is a result of the operation of the greater law of God, which is the principle of grace by which He intervenes in an unusual way to freely provide money and other resources to His children in the natural realm.

In the natural realm, there are divergent forms of money and the kind of money one receives is determined by the source it came from. Philosophically speaking, money that comes from working is called “wages” or “earned money.” Money that comes about when a relative or loved one dies and money is left to the survivors is called “Inherited Money.” Money that comes after winning by chance in a contest, draw or lottery is called “Chance money”. By the same token, the kind of Money that comes from Heaven through supernatural means can only be described as “Miracle money”. Miracle Money is a special kind of money that God Himself supernaturally releases upon His children who trust Him and believe His Word for its supernatural manifestation. The term “Miracle money” is not in the Bible because it is a new manifestation of the Spirit which God is unfolding from the Throne Room of Heaven, in what Prophet Isaiah described in prophetic language as a new thing. Throughout ages, the wealth of Heaven as mirrored by God’s supernatural provision has been manifested in divergent ways, through Miracle money and gold dust manifestations. However, the gravity and intensity of its manifestation has heightened in these last days, in what I have coined a “Miracle Money Revolution” as God concludes His eternal plan on earth. The truth of the matter is that the unparalleled degree of manifestation of Miracle money coupled with gold dust in this end time season is not intended to be just a Church phenomenon, but a Church revelation.

Firstly, Miracle Money is the supernatural manifestation or appearance of money in unexpected places such as people’s bank accounts, wallets, bags, pockets or houses, without any trace of how it got there in the natural realm and whose manifestation cannot be explained by natural laws.

Taking centre stage recently in packed churches is a new phenomenon that really is not that new. It is the supernatural appearance of “Miracle Money”, a thrilling divine spectacle that have been hailed as a new move of God that is sweeping across the charismatic churches worldwide. A supernatural phenomenon in the realm of God’s prosperity that has been happening for quite some time in the Body of Christ is Money supernaturally appearing in unexpected places such as people’s bags, wallets, pockets, bank accounts, cars and houses, as a sign of the manifestation of the wealth of Heaven on earth and the unveiling of higher realms of God’s glory. This divine phenomenon

Apostle Frequency Revelator

is usually coupled with the supernatural appearance of gold dust, silver and diamond stones and supernatural oil soaked on people's bodies, littering the floor or clinging on buildings where saints gather to worship the Lord. The truth is that while paper notes are widely accepted as a measure of wealth, Miracle money doesn't always have to manifest in the form of paper notes and coins. In some instances, it can manifest in the form of gold dust, diamonds, silver stones and other precious stones, which represent the wealth of Heaven. This is what we call the Golden rain. These precious stones have the same monetary value just like any other currency in the world, hence could easily be sold and converted to liquid money.

The greater truth is that Miracle money is a product of God's glory. It's given birth to in the deepest territories of the Glory Realm. That is why its manifestation is aggravated where the viscosity of the glory of God is demonstrated to a heightened degree in the natural realm. It is no doubt that we have been ushered right into the very special divine moments in the calendar of God whereby we are feeling the first sprinkles of the greatest revival of miracles, signs and wonders ever recorded since the Book of Acts. This is the result of the highest level of concentration of the glory of God being manifested upon the Earth. This wave of revival shall be greater than any other because we are entering the culmination of time, whereby we will experience the former rains and the latter rains of revival glory combined. A season of heightened exploration of the Glory Realm has begun as great mysteries are being unveiled, that will unleash the greatest outpouring of God's glory and harvest since the early Church, even since the beginning of time. While some of these things we are experiencing in this golden age are familiar, many of them are actually a brand new phenomenon unfolding directly from the Throne Room of Heaven. Therefore, Miracle money is one of the new manifestations of God's glory whose precipitation alludes to the combination of the former glory and the latter glory.

Secondly, Miracle money is a supernatural or divine transference of the original blue print of money from the spirit realm into direct visible and tangible manifestation in the physical realm under the ministration of angel tellers and the current of the financial anointing.

It is worth exploring the divine truth that in the spirit realm, there is an original blue print of everything that exists in the natural realm. In a similar vein, as much as we have money stacked up in Banks or circulating in the economy, there is an original blue print of money in the spirit. When this money is supernaturally translated, transferred and transmuted from the realm of

7 Supernatural Dimensions of Financial Prosperity

the spirit into the natural realm as a visible and tangible substance, it is called Miracle Money. It is a portrait of God's divine intervention in the light of man's everyday life and need. The greater truth is that as much as money is manifested in a physical form, in the natural realm it is also spiritual. This means that there is an original blue print of money in the spirit and when this money is manifested in the physical realm where it is transmuted into a form that is visible and tangible, it becomes what we call Miracle Money. It's manifestation denotes a level in which the spiritual materialises or chrystallises itself into the natural realm. The vehicle for the divine transportation of this unusual money from the spirit realm into the physical realm is the work of angel tellers but the pipeline for its practical demonstration and visible manifestation in the natural realm is through the anointing of the Holy Spirit. Notable is the realisation that Miracle money gravitates in the direction in which the anointing is flowing. Therefore, the anointing is a divine magnetic substance that releases a supernatural influence for Miracle money to move from the spirit realm into visible and tangible manifestation in the natural realm. That is why there is such a thing called Miracle money anointing, which is an impartation of God's supernatural ability upon a yielded human vessel, to enable him to practically manifest Miracle money in unexpected places in the natural realm. Miracle money is therefore a tangible, direct transference of money from the realm of the spirit into the physical realm under the current of the financial anointing.

It is worth exploring the divine truth that the manifestation of Miracle money in the natural realm depicts the reality of two types of economies, that is, the Heavenly economy and the Worldly economy and its precipitation in the natural realm denotes the pre-eminence and supremacy of the Heavenly economy over the Worldly economy. Miracle Money depicts God's sovereign reign and intervention in the lives of His own people where natural means have failed to make a way. In other words, the river of Miracle Money oftenly flows when the natural outflow of blessings are stopped or hindered, especially at such a time when it is a daunting task for God's people to prosper financially through the natural processes of money making. Notable is the realisation that the financial system of this fallen world is unjust as it creates opportunities for hustling wicked man to prosper while God's people are still yoked in poverty. Therefore, the precipitation of Miracle money in the natural realm is an indication that God, in the face of impossibilities will prove Himself strong on behalf of those who will trust Him and obey His word. To cement this divine truth with reference to scriptural evidence, the Bible records a thrilling scenario in which Isaac planted crops in that land and

Apostle Frequency Revelator

the same year reaped a hundredfold, because the Lord blessed him. The man became rich, and his wealth continued to grow until he became very wealthy. He had so many flocks and herds and servants that the Philistines envied him (Genesis 26:13). Bear in mind that Isaac's blessing was released in a time of highly unfavorable economic conditions characterized by a great famine and recession and when his enemies had stopped all methods to assure continued blessings. In other words, Isaac's hundred fold release came to him at a time when the devil's crowd had blocked all his methods of increase. By the same token, Miracle money usually comes when things are hindered in the natural realm, at such a time when wicked man are amassing humungous wealth at the expense of God's children. This is exemplified in the plight of Isaac. The Bible says the wells that his father's servants had dug in the time of his father Abraham, the Philistines stopped up, filling them with earth and [Isaac] built an altar there and called on the name of the Lord and pitched his tent there, and there Isaac's servants were digging a well (Genesis 26:25). In this portion of scripture, we learn that your situation is not determined by your environment or the state of the economy of the country in which you live. Instead, your situation is really determined by the availability of the abundance of wealth in the Heavens' Store Houses, which the apostle Paul penned as, "the riches in Christ' Glory". It is determined by your ability to depend on the Heavenly economy, which does not run short of any supplies, even though provision in the natural realm has run dry. But how possible is it that a man can sow in dry ground and yet reap a hundred-fold increase? It's a miracle that is inexplicable to the natural mind. This tells me that what dozens of pastors customarily rant and rave behind the pulpit as a hundred-fold increase is actually a manifestation of Miracle money! Imbued with this Heavenly understanding, your ability to practically demonstrate Miracle money in this economically dry season will make you a personal witness to the fact that a hundred-fold release was not a one-time event that happened only to Isaac in the distant past but a progressive and continuous grace which God unreservedly lavishes upon His children right across generations.

Thirdly, Miracle money is a divine orchestration of a special end time grace to dispatch, distribute and propagate Heaven's wealth and financial resources to the earth, for the purpose of expediting God's divine plans and purpose. It is an outworking of God's grace that is released upon humanity in this end time season to amass humungous wealth, where natural processes of money making would have failed to accentuate an avenue for such wealth to be accumulated.

Miracle money depicts a scenario in which God freely cashes out the econo-

7 Supernatural Dimensions of Financial Prosperity

my of Heaven to meet the financial needs of humanity in the natural realm. In this regard, an open invitation has been made by Heaven, through angel tellers, calling for men and women to step up in faith to freely access the grace which God has reserved for His children. Miracle money is one of those free gifts which God wants His children to partake of in these end times. One key characteristic of a gift is that you don't have to do anything spectacular in order for you to qualify to be a recipient of it. This is what the Bible describes as "Buying without Money". Consider what Jesus said:

"Hey there! All who are thirsty, come to the water! Are you penniless? Come anyway—buy and eat! Come, buy your drinks, buy wine and milk. Buy without money—everything's free! Why do you spend your money on junk food, your hardearned cash on cotton candy? Listen to me, listen well. Eat only the best, fill yourself with only the finest. Pay attention, come close now, listen carefully to my life-giving, life-nourishing words (Isaiah 55:1).

Isn't it interesting to note that Jesus is using the language of money to invite the masses to His Kingdom? This is the same voice which Jesus echoes across generations for humanity to step into the unlimited possibilities of God's grace and receive the abundance of supernatural wealth directly from God's hand. In view of the above scripture, people tend to ask a question, "Can God give anybody money without working for it?" Emphatically, Yes! He can because He is revealing to us His integral role as the father who cares for His children. Did you do anything to qualify for God to send Jesus to come and die for your sins? If no, then why would you think of qualifying or doing something notable in order for you to receive Miracle money? Both scenarios above depict a manifestation of God's grace on behalf of His own people who bore an inscription of His very own image. Did you know that there are certain blessings that can manifest abundantly in your life even without fasting and praying? While I'm careful not to mess up with your theology, the greater truth is that Miracle money is given by God free of charge, even without working for it or paying for it or doing anything spectacular. It's God's boundless grace unreservedly bestowed upon humanity as a way of exhibiting deep love and care for His very own people.

THE RATIONALE BEHIND THE SUPERNATURAL MANIFESTATION OF MIRACLE MONEY

Why is Miracle Money such an important Divine Phenomenon in God's agenda in this End Time season?

Apostle Frequency Revelator

From a financial point of view, there is no way we can get to a dimension or level where we comprehensively address the subject of Kingdom prosperity without talking about money because one becomes a Millionaire or prosperous by the measure of the amount of money that he has. The greater truth is that money is such a central tool in the Kingdom of God. It is for this reason that God declared that a feast is made for laughter, and wine makes one merry but money answers all things (Ecclesiastics 10:19). There are people who desire to demonstrate Miracle money but they are still bound by misconstrued denominational teachings in which they erroneously believe that not having enough is a sign of humility and a mark of holiness. Unless you change your pattern of thinking about money and view it as a golden substance, you might be inhibited and humstrung in your ability to demonstrate Miracle money as you should. Contrary to what multitudes of people across the globe presume, money is not evil but good. The pursuit of money for its own sake is usually evil and destructive but the pursuit of money to have financial resources to accomplish a greater cause can be quite rewarding and beneficial. To cement this affirmation with reference to scriptural evidence, the Bible declares in Timothy 6:10 that, “For the love of money is the root of all evil.” In other words, it is the love of money that is evil, not money itself. If money is evil as it were, then the lack of it is evil too, because it’s not of God. In actual fact, it is more evil not to have money than to have it, because having it is God’s plan and purpose for us to spread the gospel and propagate His End Time plans on earth. It is evident that money itself is neutral, how it is used determines whether is evil or good.

Taking into account the nature of the wealth transfer season into which we have been ushered, it is absolutely possible for the rain of Miracle money to appear supernaturally from Heaven, anywhere, anytime and anyplace in the same way God rained manna fell from Heaven when the children of Israel needed food to eat (Exodus 16:4). However, there are certain misconstrued traditional teachings in some Christian cycles whereby people are taught that they need to toil from dusk till dawn because God will not let money fall down from Heaven into people’s hands. While such teachings seem to be reasonable from a logical perspective, however, the realm of the spirit does not operate on the basis of logic, because God’s principles of supernatural financial provision operates antagonistically to the crooked monetary systems and policies of this fallen world. This is exemplified in Dr. Leroy Thompson’s encounter in which he testifies that one day he was shopping at the grocery store and while in the checkout line, the person ahead of him turned to him and said, “Money goes.” Dr. Thompson then answered, “Money goes.” But

7 Supernatural Dimensions of Financial Prosperity

while in his way to his car, the Lord precauteously corrected him and said, “Money comes!” The Lord then told him that this was meant to be a prophetic word for the Body of Christ. As far as God is concerned, Money is not going. Instead, it is coming on feet in your direction. Therefore, the Lord said we are to declare, “Money cometh to me, now!” The word ‘money cometh’ obligates Jesus the Apostle and the High Priest of our confession to oversee that word. It releases a supernatural influence in the realm of the spirit which compels all forces of divinity to work for you and all Heavens’ attention to be directed towards you. In other words, at the mention of that word, angels are bumping into one another because they are going to get your Miracle Money and bring it to you, glory to Jesus!

Notable is the realisation that as anointed vessels, we have a divine mandate to attract or magnetise money so that we can use it for Kingdom purposes, specifically for the furtherance of the gospel. In other words, we are a Money magnet, designed to make a pulling on the supernatural realm by manifesting the abundance of Miracle money in the natural realm as though it were gold paving the streets of Heaven. Since money always gravitates in the direction in which the anointing is flowing, it is highly imperative that we persue the substance of the anointing in this season. According to the law of attraction, every spiritual substance is drawn, magnetised or attracted to you if you call it by name. By the same token, the substance of money hears and therefore comes when you call it. That is why the Bible declares in Romans 4:17 that God calls things that be not as though they were. In other words, He calls into existence the things that are not visible in the natural realm as though they are a tangible reality in that realm. The Greek word for call is *Kaleo* which means to summon or give an authoritative command, demanding that someone should appear. Therefore, spiritually speaking, when you say “Money cometh to me, now,” you are actually saying, “Money — you are hereby notified to appear and it will appear speedily according to your instruction. This is what I call authority over money.

THE PRACTICAL DEMONSTRATIONS OF MIRACLE MONEY IN THE NATURAL REALM

As an opening perspective to this revelation, the Bible gives a thrilling account in Matthew 17:27, of how Jesus demonstrated Miracle Money following a debate whether they should pay tax or not. Taxes, otherwise known as tribute money in the Bible needed to be paid for Jesus and Peter but instead of going

Apostle Frequency Revelator

into the treasury, finances were miraculously provided. Jesus chose to solve the dilemma by performing a miracle that dazzled the minds of spectators and ruffled the feathers of the sceptics. Through the demonstration of this miracle, Jesus showed Peter His power as the Son of God, providing the tax money for both Peter and Himself in a symbolic way. The Bible records that when Jesus and His disciples needed money, He instructed Peter to go and get the money out of the mouth of a fish, saying,

“Go, to the sea, and cast a hook, and take up the fish that shall come up first and when you have opened its mouth, you shall find a piece of money [Miracle money]: that take, and give it to them for me and you”.

(Matthews 17:24-26).

As per instruction, Peter then went and caught the fish with money in its mouth and brought the money back to Jesus so that they paid their tax. This is a manifestation of Miracle Money which is similar to the one which God is unfolding from the Throne Room and releasing upon the masses right across the Body of Christ in this end time season. The question you are probably asking yourself is:

Where did the fish and the money come from and how did the Money enter the mouth of the fish?

It is very striking to note what the Lord used to get the money to Peter—a fish. Who would have ever thought that a fish can be used to bring forth money? Spectacular as it seems, that was a supernaturally “called” fish. It was called by the Lord, summoned by the supernatural power of God, to “come up first” with the money in its mouth! In this verse, the Lord Jesus demonstrated in practical terms that He can control the system on behalf of those who unwaveringly trust Him! As aforementioned, Peter had been a fisherman for a long time, but I bet he never caught a fish with money in its mouth! What happened to him in this case was an irrefutable miracle! In modern day language, Peter received Miracle money! This shows that God has sovereign control over all things. He is intricately involved in every fabric of His creation and uses His royal prerogative to manoeuvre the very things which He created. He is the God of the Reserve Bank, the one who holds the title deed of every currency in this world and a sole proprietor of the whole Universe. Silver and gold belongs to Him (Hagai 2:8). He is the God of money, and not the devil as some folks have ignorantly presumed it to be. Therefore, what we only have to realize today is that God has sovereign control over the

7 Supernatural Dimensions of Financial Prosperity

monetary system of the world but He needs someone to give Him some faith to work with to be able to show Himself strong on his behalf, in the same way He needed Peter's faith to work with in order to produce results in the natural realm.

Now, at least we know where the fish came from, but what about the money? This is exactly a typical scenario of how God operates in the current times concerning the release of Miracle Money. In the same way Peter caught the fish but did not know where the money came from and how it got into the mouth of the fish, many people receive Miracle Money supernaturally deposited in their bank accounts and they know that the money has come from the bank yet they don't know how it got into the bank. The reality is that it's not every day or any day that someone catches a fish and takes a coin out of its mouth but Jesus used Heaven's supernatural provision to pay His taxes. In other words, He instructed the economy of Heaven to supply the reserves to the economy of the natural realm. The greater truth is that Jesus chose to use the fish as a means to bring the money in the same way He is using a bank as a means to dispatch Miracle Money in this end time season. Philosophically speaking, the *fish* is the bank and the *coin* is the Miracle Money supernaturally deposited into the bank. It is clear that God used a fish not to create new money per se, but to transport the money that was already in circulation, to gravitate and stream in the direction where Peter was in the natural realm. In a similar fashion, God can also divinely send people or angels to deliver money or anything wherever He wants in the same way He used a fish to bring forth the money He needed. In the current times, God can compel forces of divinity to supernaturally deposit money in the bank as a means to bring the money into your hands. He can release a supernatural influence in the realm of the spirit that will trigger a divine arrangement of circumstances for Miracle money to stream in your direction.

An investigation into the background of this narrative unveils a notion that Peter was an experienced fisherman who had caught thousands of fish in his entire life. Out of all those thousands of fish he had caught before, Peter had never found a coin in the mouth of a fish until Jesus gave him that revelation, let alone the exact coin that would adequately pay the tax for both of them. This was a live demonstration of Miracle money at its highest degree! The distance between Peter and the money in the mouth of the fish was in *revelation*. Likewise, the distance between you and the millions you require is in the revelation from Jesus. It should be further noted that Jesus did not instruct Peter to catch the fish and then sell it to obtain money. Neither did He go

to the bank to make a withdrawal. Instead, He commanded Peter to obtain the Miracle money from the fish itself. In other words, the fish was not the wealth, but a means to bring the money or wealth into physical manifestation. It must be further noted that Jesus did not tell Peter to go for *selling* at the market in order to get the money. Instead, He told him to go for *fishing*. In other words, He instructed Peter to go and do what he already knew how to do best because Peter was a fisherman by trade. In a similar vein, Miracle Money might not come from distant sources but right in the profession or occupation where you are as long as the right spiritual atmosphere or climate is well cultivated for the glory of God to be manifested. Therefore, if you are a teacher, demonstrate Miracle Money in the classroom; if you are a vendor demonstrate Miracle Money in the streets and if you are an Accountant, demonstrate Miracle Money in your office but the principle is that whenever you are, Miracle Money can be demonstrated to the glory of God. It is interesting to note that Miracle Money was demonstrated live without a church gathering, a preaching or a religious song. Therefore, you need not put God in a box by thinking that Miracle Money can only be demonstrated within the vicinity of church bars and doors for the glory of God has gone forth beyond church boundaries.

It is strikingly remarkable in this Biblical account to note that Jesus told Peter to go fishing and take the *first fish*, reach inside it and extract a coin and use it to pay for their tax. The principle here that keeps the Windows of Heaven opened for one to continue to receive miraculous provision from God is when one puts God first in financial matters. The Bible concurs in Proverbs 3:9 that *to honour the Lord with thy substance and with the first-fruits of all thine increase, so shall thy barns be filled with plenty and thy presses shall burst out with new wine*. This is simply talking about if we put God first in financial matters, He would be responsible for helping us to increase financially. As Peter opened the fish's mouth, he found financial provision and obeyed the Lord's command to pay Jesus taxes first and then his own taxes. This is Miracle Money in action and Jesus chose to use a fish as a means to bring forth the miracle into manifestation. Jesus was conscious of His position of son-ship, that the son pays the tax levied for his Father's house, but he exercises his royal prerogative in the act, and takes the shekel out of the royal treasury. As a man, He pays tax, but as God, He causes the fish to bring Him the shekel in its mouth. Yet, He did pay for Peter, as a fore-shadow of the work of redemption for all men. Jesus did not actually owe the price but paid it nevertheless – and at the same time, with the same price, paid for Peter. What a spectacular financial miracle!

7 Supernatural Dimensions of Financial Prosperity

The demonstration of this financial miracle is akin to how Peter toiled the whole night in an endeavour to catch fish but could not catch anything until Jesus stepped on the scene and gave him a revelation to cast into the deep. This is a typical scenario across a broad spectrum of Charismatic faith in this season. Just like Peter, multitudes of people have been toiling in certain careers or professions but never experienced humongous financial breakthrough. Until Jesus steps on the scene with a deeper revelation from the Throne Room, you might sweat and toil to the bone yet you are not able to receive anything. Until Jesus steps on the scene to intervene with Miracle Money, you might never become a Millionaire or prosper financially in this season. It is also interesting to note that while it seemed as if the fish were previously refusing to enter his nets, following the revelation of casting the nets into a deeper realm, it now appeared as if the fish themselves started competing to enter his nets. You see, the problem was not with the gifting per se, for Peter was an experienced fisherman. Instead, the problem was the depth, dimension or level of operation, that's why Jesus told him to shift his position and cast into the deeper realm. You see, you need to cast your faith into the deeper realm and push beyond the dictates and confines of your comfort zone to a realm that is unfamiliar to your status quo. It's when you step into that realm that Miracle money will be greatly demonstrated and millions of Kingdom wealth will stream in your direction. Just like Peter, begin to put your foot out of the boat and God will make the waters solid under your feet. Shift your position and launch into a deeper realm in the supernatural, then you will see the difference. You might have read this portion of scripture a thousand times but have you ever taken a minute to think that this was Miracle money demonstrated here? How many times does it happen that the fishermen catches a lot of fish to the extent that the nets breaks, let alone in Peter's career as a fisherman? This was indeed a demonstration of Miracle money in the natural realm by the Lord Jesus! This time, it's not the fish that came out with money in their mouths per se, but it's the fish themselves that came out in extraordinarily large quantities. As a fishermen, it's logical to think that Peter could have sold the fish and obtained a lot of money. Whichever way it comes, Miracle money will always manifest supernaturally although the avenues in the natural realm might be diverse.

It must be therefore understood that Jesus is the Lord yesterday, today and forever and even though times have changed and His divine methodological operations might have changed in line with times and seasons, His principle remains the same. In other words, it is the times and seasons that changes but His nature, character and virtue stays the same. Hence, if He performed mir-

acle money by extracting it from a fish, then it is absolutely possible for us believers in this present generation to also obtain Miracle money supernaturally. In the current times, money might not come through a fish but the principle is that money is spiritual and can be obtained supernaturally in divergent realms. As a matter of fact, the end time revival of wealth grossly manifested through

the supernatural manifestation of Miracle money has just begun. Prophetically speaking, in this end time dispensation, during worship or ministerial meetings, money will supernaturally appear in people's bank account, bags, wallets and houses as a result of angelic deposits by the *Angels of finances* or *Angel tellers*. This thrilling and spectacular move of the Spirit shall be coupled with the supernatural appearance of Heavenly precious stones such as gold dusts, silver stones, diamonds, jewels and supernatural oil which represents the wealth of Heaven manifested by the *Angel of precious stones*. And these shall supernaturally appear soaked on people's bodies, on the ground or on buildings where saints gather for worship. This is a fulfilment of the scripture in Isaiah 43:19, which God declared through the voice of Prophet Elijah saying,

"Behold, I'm doing a new thing, something that you have not seen before. Can't you see it as it spring forth".

However, to corroborate the authenticity of this supernatural phenomenon of Miracle money with supernatural evidence, it is always accompanied by the rain of creative miracles such as the infilling of gold teeth, germination of hair on bald heads, weight loss or gain, instantaneous increase or reduction in the height of people as well as the supernatural appearance of the original blue print of body parts in bodily territories where they previously did not exist. This is often accompanied by the presence of *Angel feathers* floating in the atmosphere or resting on the ground where saints gather for worship, signifying the presence of angel tellers responsible for depositing Miracle money in unexpected places. This is meant to reinforce a spiritual understanding that this phenomenon is from God, hence humanity should not be sceptical or hesitant to partake in His glorious financial provision.

UNVEILING THE SECRET OF MIRACLE MONEY AS A SPIRITUAL SUBSTANCE

How does the divine phenomenon of Miracle Money operate and in what form does it manifest?

7 Supernatural Dimensions of Financial Prosperity

In order for us to have an in-depth understanding of what Miracle money is, where it comes from and how it is manifested from the spirit realm into the physical realm, it is of paramount significance that we first understand money as a spiritual substance. Understanding money as a spiritual substance means understanding the original blue print of money in its spiritual form and how it is transmuted from the spirit realm into the natural realm. In our endeavour to comprehend any natural phenomena, it is always important that we understand spiritual things because the Bible says that the things which are seen are made from the things which are not seen (Hebrews 11:3). Owing to lack of revelation, many at times people don't view money as a spiritual substance, hence they are limited in their understanding of the dynamics of the supernatural manifestation of Miracle money. The greatest challenge that multitudes of believers across Christian cycles are facing is not because the phenomenon of Miracle money is difficult or too spiritual to understand, but it's simply because they lack a revelation and an acute understanding of the mechanics behind its manifestation. To unpack and uncover this divine truth, the Bible says in Hebrews 11:1 that Now, faith is the substance of things hoped for, the conviction of things not seen. We need to get a divine revelation engraved into our heart and mind that there is such a thing as a spiritual substance. From a scientific point of view, the word substance connotes to matter; something that is heavy, tangible and visible such that it bears the properties of weight, mass and density, hence can be touched., felt and seen. By the same token, faith is a tangible spiritual substance. The truth is that as much as there are natural substances, there are also spiritual substances which are more real than what is seen (2 Corinthians 8:18). The greater truth is that as aforementioned, there is an original blue print of everything that exists in the natural in the spirit. For example, there are houses, trees, people, and money in the spirit. And if only you could decide to live by this Heavenly understanding, you won't struggle to understand the dynamics of Miracle money, thus positioning yourself to be used as a vehicle or instrument to propagate its manifestation in the physical realm.

Notable is the realisation that the spirit world has its own material form which is different from that of the natural world. For example, God, Jesus and angels have a form. In 2 Corinthians 8:18, the Bible speaks of these two different realms of existence, that is, the realm of the spirit and the realm of the natural. These two worlds don't contact each other directly. Sometimes people in their visions make contact with the spirit world. It's because the spirit world would have chosen to materialize into the realm of the natural for us to feel its tangibility. On the other hand, the natural cannot move into

the spiritual and go backwards because when the natural becomes spiritualized, there is no return path. It is for this reason that when Enoch walked with God, he walked Heavenward and stepped into the deepest and most sacred territories of the Glory Realm realm until he couldn't reverse back (Genesis 5:24). His being just got transformed into the spiritual realm to the level where he was translated into the spirit dimension to take a permanent abode in the spirit world.

The spiritual realm can affect and transmute itself into the physical for the inhabitants of the physical realm to touch and contact it. That is why it is possible for money in the spiritual form to manifest into the physical realm as Miracle Money. Notable is the divine truth that during the Angelic era when God made angels, He took spiritual substances and brought them together. When God made man, He made him in a different realm with a spiritual ability, hence there is a substance that is very real. The Bible also speaks of the existence of angels' food in the spirit world called manna. In the book of Psalms, it says that the manna which the Children of Israel ate in the wilderness was actually angels' food (Exodus 16:31). It was transformed into a physical world so that natural man could eat it and survive for 40 years. It is breath-taking, to note that for 40 years, the whole nation of Israel survived on manna from Heaven. And that manna provided all the protein, carbohydrates, vitamins and minerals that they needed. It is remarkable to note that the spiritual substance can become a physical substance and provide everything that the physical world could have provided. They had everything in a manna form. Did the angels eat this manna too? Yes they did. It is called in the book of Psalms angels' food (Exodus 16:32). In view of the above revelation based on scriptural evidence, it is therefore evident that faith is not the only spiritual substance. Instead, Grace is a spiritual substance, Glory is a spiritual substance and by the same token, Miracle money is also a spiritual substance. As a matter of fact, a lot of the gifting of God comes as impartation of spiritual substance, hence it suffices to adjudicate that everything is a spiritual substance from the spirit world. One peculiar characteristic of the spirit world affecting our lives is not just by believing something. There must be some real impartation that comes into our life.

It could therefore be deduced that everything in the spirit world is a spiritual substance. By the same token, Miracle money comes from the spirit world and is transmuted into the physical realm, hence it is a spiritual substance. Notable is the realisation that everything that we receive from God comes in the form of spiritual substances. If you receive wisdom from God, God

7 Supernatural Dimensions of Financial Prosperity

imparts some real substances into your spirit although He could give these spiritual substances in measures. And the spirit of God's presence in our life is also a sort of spiritual substance coming into our life. Moreover, you have to embrace the divine truth that the anointing of God is a spiritual substance. The Holy Spirit is a person but the anointing of God, which comes from the Holy Spirit, and the dunamis of God is a spiritual substance. The spiritual attributes of wisdom, knowledge, power, authority, love, peace, joy, self-control, meekness, can be viewed as spiritual substances. The anointing of God is a substance of God. The power of the Holy Spirit is a substance of God and likewise Miracle money is a visible and tangible spiritual substance manifesting in the natural realm. Let me redefine the whole system. Practically everything in the spirit world is a spiritual substance. You may have never viewed these attributes as substances before, but I want you to know that they are substances. It's a different question when you talk about how the substance is imparted and what actually happens. You have never thought of humility or meekness as a substance, yet we know that there are different degrees of humility.

Sadly, many believers don't perceive Miracle Money as a spiritual substance yet it is a spiritual substance which is produced in the natural realm but proliferated from the spirit realm into the physical realm. It is for this reason that many of God's people are inhibited or hamstrung from manifesting the reality of this unlimited grace in their sphere of contact.

If only you could live by Heavenly understanding and secure the divine revelation of Miracle money as a spiritual substance, you will be catapulted into a realm in which you will easily understand where it comes from, how it manifest and how it is transmuted from the spirit realm into the natural realm. It is worth exploring the divine truth that the realm of the spirit (supernatural) is a precursor of the natural realm; meaning that things happen first in the spiritual realm before they could manifest in the physical realm. The Bible concurs with this divine truth in 2 Corinthians 4:16-18, that the things in the natural realm are a shadow or foretaste of the things which are in the spirit. Therefore, before there could be any manifestation of Money in people's bank accounts, bags, houses or other unexpected places in the natural realm, it first exists in the spirit in a spiritual form. Such an understanding will make it easy for you to command Miracle money to manifest anywhere as a recipient of God's end time supernatural financial provision. The absence of revelation is what confines multitudes to a place of average thinking. That is why many are hamstrung and inhibited to manifest this grace. Since revela-

tion precedes manifestation, this divine revelation will unlock destiny codes and jettison you into an arena of your manifested destiny such that you will demonstrate Miracle money like a farmer sent out to the ripe fields for a bumper harvest, glory to God!

UNVEILING THE DIVINE REVELATION OF MIRACLE MONEY AS A “NEW THING”

Do you know that in every generation, God unfolds new manifestations of the Spirit to His elect so that they are able to freely partake of what God is doing in the invisible realm? Although many of the miracles that were performed in the Bible right across generations are now considered to be old manna, during the days when they transpired, they were actually regarded by the masses as a new thing. God operates according to the times (Kairos) and seasons (Chronos), hence there is something specific and new that He always does in a generation. In this end time season, the most overworked vocabulary in the realm of God’s prosperity is the word Miracle money because it denotes the specifics of what God is currently brewing in the invisible arena. The greater truth is that in every generation, God unravels His hidden wisdom through the revelation of new things. These are divine substances which are unreservedly released from Heaven to earth, which unveils the reality of God’s tangible Throne Room presence. It seems that the Lord is now doing very unusual things which simply don’t have any physical explanation. There are realms of God’s personality being revealed now that were not known five minutes ago. The angels are parading around the Throne, revealing the new realms of glory that they haven’t seen before. The glory of God at the Throne Room is constantly evolving, with each change reflected through the radiation of different colours. Like birth pangs signalling the time of delivery, things are being released from the Heaven’s Throne Room that have been preserved through the ages for this particular hour. The glory realm is becoming more real than the reality we are living in the natural realm. Therefore, the time has come for us to align ourselves with the blueprints of Heaven as it is undeniably evident that this is indeed a season of new things.

Prophetically speaking, a new day in the spirit is dawning. There is a new dimension of glory surfacing on the horizon. The skies are changing and the waves are shifting, heralding the times of refreshing that are dawning in the Body of Christ in this season. Tremendous manifestations of new realms of glory are surfacing on the horizon as the Body of Christ is catapulted right

7 Supernatural Dimensions of Financial Prosperity

to pinnacle of God's glory on earth. As we step into the deepest territories of the Glory Realm in this season, God is ushering us into an era of rebirth of spiritual knowledge and a renaissance of new revelations. The Lord is echoing the same words which He spoke through the voice of Isaiah and He is saying, "I'm doing a new thing! They are created now, and not so long ago, you have not heard of them before today (Isaiah 48:7). God is about to explode in the demonstration of signs and wonders by doing something so brand new that you won't yet have the language to describe it, neither will you have any vocabulary to speak about it. It would be like what Paul penned as, "Something inexpressible for man to tell" because there won't be any vernacular, jargon or vocabulary good enough to define it. The reason why God calls it a "new thing" is because it doesn't have a name as yet. It's a brand new phenomenon unfolding from the Throne Room of Heaven such that even the angels are still trying to comprehend it. It doesn't exist in your dictionary nor does it have a reference point. Hence, you will not call it by the name you used in the past because then, you would need a new vocabulary to describe it. You will not be able to reference it because it is not recorded; it cannot be photocopied, counterfeit or plagiarised. You will not be able to research about it because it is not written about. It cannot be googled but revealed.

Miracle money is therefore a "new thing" which God is unfolding from the Throne Room of Heaven for His people to freely and unreservedly indulge in this end time season. The term, "Miracle money" though you won't find it in the Bible, is a new terminology that we use to describe this brand new phenomenon that God is raining down from Heaven in this season. Money itself is never a miracle because it is a unit of exchange used to facilitate economic transactions but when its manifestation in the natural realm can only be traced to divinity, and is beyond human comprehension, it is said to be Miracle money. Prophetically speaking, God said, "Down through the ages, I have given every man and woman a foretaste of my glory but what is coming now, it's never been seen". There is a rebirth of new manifestations in these end times such that humanity will not be able to look at it or recognise it because it will be completely fresh and brand new just like when manna, the food of angels was rained down on earth for the first time from Heaven. You cannot call it by the name you used in the past, hence you would need a new vocabulary to describe it in the same way the children of Israel looked at the food of angels that was rained down from Heaven and explained, "manna," meaning "what is this" because they had not seen such a thing before. Therefore, in this season of the glory invasion, you need to break loose from the old and step into the new realms of glory, to impact the nations with the fresh spark

of God's glory by demonstrating Miracle money everywhere you go.

Have you ever asked yourself how Jesus multiplied five loaves and two fish? It's because the glory realm is a realm of new things, hence natural substances are multiplied and new processes are continually given birth to in the deeper territories of the Glory Realm. This also explains how Jesus converted water into wine because in the Glory Realm, any substance can be changed into another form without altering its natural properties. Do you notice that God announces to the masses saying, "Behold, I'm doing a new thing! (Isaiah 48:7). Why is He telling you? Because there are certain things which God is unfolding in the spirit realm which man in his natural senses does not perceive. He is also telling you so that in tandem with what He is brewing in the realm of the spirit, you can also do the same in the natural realm. The greater truth is that as a Master of Creativity and Divine Orchestrator of new things, God is in the business of creating and proliferating new things. Although many of them might be brand new to the inhabitants of the natural realm, they are actually common place to the subjects in the spirit realm. The truth is that subjects in the natural realm are constantly being transformed and made anew so that they can conform to the original blueprint of how things are in the spirit realm. Although our physical bodies do not change at new birth, there is a regeneration, transformation and newness of life that gets imparted into our spirit as it is made anew by the Spirit of God. However, there are deeper realms of the Spirit in which the whole body of a believer gets to be transformed or metamorphosed as it enters the deeper and unexplored territories of the glory realm, a similar case to Jesus Christ's transfiguration on the Mount. These deeper realms of the Spirit are akin to inside-the-body and outside-the-body experiences which Paul testifies about when he was caught up to God's Throne Room in Heaven.

UNVEILING THE MECHANICS BEHIND THE DIVINE ORCHESTRATION OF MIRACLE MONEY IN THE IN-VISIBLE REALM

Where does miracle money come from? Is it manufactured in heaven or is it divinely transferred from one section of the economy to the other?

In retrospect of the controversial views aired by those who question the credibility of Miracle money from an economic point of view, especially citing the issue of whether or not it is created in the spirit realm, this publica-

7 Supernatural Dimensions of Financial Prosperity

tion will put all your arguments and controversies to rest. I thank God that as one conferred with a Post Graduate Degree in Business Economics, I'm in a position to shade a greater light on this issue both from an economic point of view and from a theological perspective. To clear the air, there is no re-invention or re-creation of money involved in the divine orchestration of Miracle money. In His manifold wisdom, God does not need to tamper with the natural monetary system of this fallen world in order to transfer money for His intended purpose. Instead, God sovereignly works with the system which He created for man in the physical realm, bypassing natural laws and processes, to transfer money that is already in circulation in the economy and that is already laid down as financial reserves in the bank systems of nations and world renowned financial institutions such as the World Bank, IMF and other global financial institutions. It is for this reason that high ranking angels (Angel Tellers) are granted a Heavenly mandate to sit in the forums of the IMF and Global monetary institutions, in order to determine the direction in which money should be channelled. Miracle money is an end-product of what in the realm of God's prosperity I have coined as "Divine income distribution". This is based on the following promise that God made to His people in the Old Testament and by extension, in the New Testament dispensation: "I will give you treasures of darkness and the riches in secret places, that you may know that it is I, the Lord, the God of Israel who call you by name" (Isaiah 45:3). The phrase, "treasures of darkness" in the context of the above-mentioned scripture does not connote to evil as perpetuated by the devil but it alludes to the unexplored reserves of the wealth of Heaven, as mirrored by new manifestations of supernatural provision which God is unfolding from the deepest and most sacred territories of the Glory Realm. This is what God described in metaphoric language as "secret places". This tells me that there is a divine equitable distribution of wealth that is divinely orchestrated by God, by which wealth is transferred from the secret places (unexpected places) into the hands of believers via the banking systems and other avenues in the natural realm.

To cement this revelation with reference to scriptural evidence, Proverbs concurs with this divine truth that God transfers wealth from the hands of the wicked to believers. And since both the wicked and the righteous don't live in Heaven but are inhabitants of this fallen world, it means that Miracle money is being supernaturally transferred from one section of the economy to the other through the natural avenues of monetary and banking systems. Owing to lack of revelation, some people presume that when you loose money on the earth, the Lord looses money in Heaven. No! The Lord in Heaven

looses the money which is already here on the earth. Nowhere does it say that God transfers the money from Heaven, although Heaven is the central decision making point for it's global distribution. Alluding to the supernatural release of our finances, Jesus said, "Whatever you loose on earth, I will loose it in Heaven." Note that He is not talking about loosing something in Heaven. Yes, Jesus is in Heaven, but He is "loosing" from Heaven, not in Heaven. In the context of this revelation, He is speaking of releasing Miracle money from a Heavenly realm where you are seated with Him at the right hand of God. In Heaven, Miracle money won't need to be loosed, because it is not bound! So, Jesus was talking about loosing something on the earth because the Miracle money you need is already in the earthly realm although it might be in the hands of wicked people. Therefore, when you release it using your Heavenly authority, it is loosed from the hands of the wicked and starts to gravitate like a current, streaming in your direction. When you loose money, using your authority on the earth, the Lord looses the ability (anointing) to cause that which you declared to come to pass. In other words, when you command Miracle money to manifest in the natural realm, Heavens releases a supernatural influence that causes all forces of diinity to partner with you and angel tellers to be postured to act on the word you speak.

It is scripturally evident that Miracle money is not created in Heaven per se but from Heaven. Although it is divinely orchestrated in the Heavenly realm, it is not created in Heaven. If it was created in Heaven, do you think it would be in the condition in which people are receiving it? No! It would definitely be brand new paper notes, scented with a fresh smell of Heaven, mingled with an aroma of God's glory. It would be aromatised with a tantalising divine aura emanating directly from the Throne Room of Heaven. Besides, if it was manufactured in Heaven, do you think it would be having the images and inscription of man engraved on it? Definitely not! It would definitely have the image or inscription of the Lord Jesus, authenticated by the signature of God's own hand writing on it, and not those of Governors and politicians of this fallen world. This should tell you that God has a sovereign authority over all things and has an exclusive right and prerogative to manoeuvre human circumstances. Don't you know that money is created by the Reserve Bank of a country but the highest decisions pertaining to its dispatch in the economy come from the office of the Presidency? By the same token, money is created by the Reserve Banks of nations in the natural realm but the ultimate decisions governing it's propagation are made in the Heavenly meetings and angelic forums. This is to tell you that God owns everything and owes nothing, hence He can sovereignly dispatch Miracle money to which ever bank

7 Supernatural Dimensions of Financial Prosperity

account He desires without any reservations.

Don't you find it interesting that God said, "I own a thousand cattle on a thousand hills," yet referring to cattle owned by man. Do you think He was referring to wild animals? No! He was referring to cattle owned by people in this world but He brands them as His own. This shows you that as one with a title deed of the Universe, everything, including money belongs to God. Consider what God had to succinctly say concerning this divine truth: Silver and gold is mine (Hagai 2:7-8). Do you think God was referring to Silver and Gold in Heaven? No! The one in Heaven is used to pave the streets, hence there would not be any need for God to re-enforce the reality of its ownership because it is not subject to any corruption, wickedness and manipulation. So, He was referring to the money that is already in this world and this is the same Miracle money that He is supernaturally dispatching upon the masses in the Body of Christ, to expedite His purpose on earth shortly before He closes the curtain at the end of this age. If God could own silver and gold, which is a measurement of wealth and a portrait of the best monetary currencies of the world, it means that every money in this world, whether in the Banks, in circulation in the economy or in possession of human beings, belongs to God. Hence, He has a sovereign say as to who should have it, how it should be dispatched and for what purpose it should be used. Since the main business of Heaven is the propagation of the Gospel of Jesus Christ and the subsequent salvation of billions of souls across the globe, a large portion of God's money on the earth is being channelled and allocated towards advancing the preaching of the gospel to the extreme ends of the word. In the same way Banks have Bank tellers who are responsible for the administration, processing and transaction of money in the natural realm, God has entrusted the responsibility for angel tellers to administer, transact and dispatch Miracle money to those whom He has given a mandate to propagate the gospel. In view of the above, it is therefore evident that Miracle money is the financial reserves that is tied up somewhere in the economy which requires the financial anointing to loose it so that it can stream in your direction. So, it is more of a restoration principle than a re-invention concept which dozens of folks have erroneously presumed it to be.

CHAPTER THREE

THE THIRD DIMENSION:

THE DIMENSION OF SUPERNATURAL DEBT CANCELLATION

This invokes a complete supernatural removal, termination or payment of a debt a person owes others, without a trace of how it transpired in the natural realm

Contrary to what multitudes of people presume, debt cancellation is not a new Biblical concept. Its origin dates way back as far as the Old Testament days. In essence, God's original master plan for humanity has always been to set His people free from the entanglement of debt (Deuteronomy 15:12; Philemon 18-19; 1 Samuel 17:25, 22:2 2 Kings 4:7; Matthew 18:27, 6:12; Leviticus 25:10; Nehemiah 5:3-4, 11-12). The most severe disadvantage of debt is that it keeps God's children bound, sabotaged, caged, imprisoned and oppressed. To make matters worse, it drives their attention

7 Supernatural Dimensions of Financial Prosperity

away from worshipping God in the fullness of the spirit. Echoing the voice of the prophet Isaiah, Jesus proclaimed in Luke 4:18—19 saying, “*The spirit of the Lord is upon me because He has anointed me to preach the gospel to the poor; He has sent me to heal the broken hearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord.*” The Amplified Version states it explicitly as: “*The day when salvation and the free favors of God profusely abound.*” In the context of this scripture, the acceptable year of the Lord is the year of Jubilee, the year when all debts were cancelled. This is because debt is part of the world’s system of finance and it’s a system devised by the devil to keep the children of God in bondage to the fallen world (Deuteronomy 28:15, 43-44; Proverbs 22:7). Jesus, however, has redeemed us from the curse of the law, and we are now free to walk in fullness of the blessing of Abraham (Galatians 3:13-14). Moreover, the scripture above unveils the reality that the spirit of the Lord has anointed me *to preach the good news to the poor*. This implies that the permanent solution to poverty is the Word of God because it provides ultimate answers and solutions on how to escape the debilitating morass of lack caused by debt. Therefore, as far as God is concerned, the poor don’t have to be poor anymore and they don’t have to lack anything or be hamstrung by debt anymore.

It is worth mentioning that multitudes of believers are supposed to be millionaires by now but some have been hamstrung by debt. Hence, they have not been able to move forward to amass humongous wealth from Heaven. It is a typical scenario across a broad spectrum of Christian cycles to find children of God who live from hand to mouth on borrowed income to the extent that they get entangled in a web of debt. The wicked thing about debt is that it exacerbates poverty and breeds a negative spiritual gravity that nails one to continuous pain, suffering and debilitating poverty. Therefore, in the same way God provides Miracle money, the other divine orchestration which Heavens renders free of charge is divine intervention through supernatural debt cancellation.

In order to enhance a significant level of understanding of the divine concept of debt cancellation, it is of paramount importance that we derive ample references on incidences touching debt cancellation scenarios in the word of God. The Bible records in 2 Kings 4:1-7; 6:5-6 that *God supernaturally provided supernatural debt cancellation for a widow* when He worked miracles of supernatural financial provision by the hands of Elijah. After the death of

her husband, the widow owed many people a lump sum of money and was on the verge of losing both her sons to the creditor but Elijah gave her a prophetic instruction to keep pouring oil from a small pot into as many empty vessels as they could find and then sell the oil to pay the debt. To present the background of this narrative, a certain woman of the wives of the sons of the prophets cried out to Elisha, saying,

“Your servant my husband is dead, and you know that your servant feared the LORD. And the creditor is coming to take my two sons to be his slaves.” So, Elisha said to her, “What shall I do for you? Tell me, what do you have in the house?” And she said, “Your maidservant has nothing in the house but a jar of oil.” Then he said, “Go, borrow vessels from everywhere, from all your neighbors; empty vessels; do not gather just a few. And when you have come in, you shall shut the door behind you and your sons; then pour it into all those vessels, and set aside the full ones.”

According to the narrative, she went from him and shut the door behind her and her sons, who brought the vessels to her; and she poured it out. Now, it came to pass when the vessels were full that she said to her son, *“Bring me another vessel.”* And he said to her, *“There is not another vessel.”* So, the oil ceased. Then she came and told the man of God and he said, *“Go, sell the oil and pay your debt; and you and your sons live on the rest.”* This was a supernatural bail out from debt through *prophetic instruction*. Isn't it interesting to note the integral role which prophets played in the olden days in terms of solving the problems of the masses? Although derailed by religious dogma, prophets should continue to play an integral role in the society today. In this season dominated by a darkening global economic outlook, many children of God somehow find themselves entangled in a web of debt and subsequently hamstrung in ministry due to lack of finances. Under the circumstances, God uses supernatural debt cancellation to bail them out of their situation.

In retrospect to this narrative, it is worth noting that this widowed wife of one of the sons of the prophets had debts and no means to pay them. The legal system in Israel at that time would not allow her to declare bankruptcy. She had to involuntarily handover her sons as indentured servants to her creditor as payment for the debts. However, inhumane this might seem, the creditor was within his rights, for Mosaic Law allowed him to enslave the debtor and his children as far as the Year of Jubilee in order to work off the debt. By commanding her to go and borrow vessels from neighbours, Elisha made this woman commit herself in faith to God's supernatural provision. To borrow vessels in this manner invited awkward questions, but she did as

7 Supernatural Dimensions of Financial Prosperity

the word of God through His prophet commanded her. She did what she was commanded to do and she did it in faith, hence the result answered the end. Notable is the realisation that God takes care to deliver His servants in ways that involve the exercise of their faith. He would not have them be little in faith, for *faith is the currency of Heaven and the wealth of the Heavenly life since you have God in the measure in which you desire Him*. Only remember that the desire that brings God must be more than a feeble, fleeting wish. Wishing is one thing but willing is quite another. Lazily wishing and strenuously desiring are two entirely different postures of mind. The former gets nothing while the latter gets everything, including God and all that God can bring.

As aforementioned, notice that the woman was instructed to pour oil into all those vessels, and set aside the full ones. Elisha told the woman to take all that she had and pour it out in faith into the borrowed vessels. As she did this, the oil miraculously kept pouring from the original vessel until all the borrowed vessels were filled. At the end of it, she had a surplus oil. That is a remarkable miracle! Note that Elisha did not gather the vessels and pour the oil himself, but he prophetically instructed the woman to do it herself, thereby strengthening her faith in God. This was a prophetic action of faith in response to prophetic instruction. The original vessel of oil, the one the woman had in her house was a smaller vessel that held only oil for anointing. This means that the distribution of the oil into the other vessels required constant pouring and allowing the oil to supernaturally fill the small vessel again. The vessels also had to be empty before they could be filled with oil. It did no good to bring the widow full vessels. Philosophically speaking, a full Christ is for empty sinners and as long as there is a really empty soul in a congregation so long will a blessing go forth with the word, and no longer. It is not our emptiness, but our fullness which can hinder the outpourings of free grace.

The narrative continues to unpack that once all the jars were filled, the oil ceased. This tells me that the miracle was given according to the measure of the woman's previous faith in borrowing vessels. She did borrow enough so the excess oil was sold and provided money to pay the debt to the creditor and to provide for the future. It is interesting to note that had she borrowed more, more would have been provided. On the other hand, had she gathered less, less would have been provided. If she borrowed few vessels, she would have but little oil but if she borrowed many vessels, they would all be filled such that she should have much oil. She herself was to measure out what she should have. It is unequivocally evident that in matters of spiritual blessings

from God, you have more to do with the measurement of your mercies than you think. The extent to which you can be filled with the blessings of God depends on your capacity to contain those blessings. The principle of this miracle is that the level of man's commitment to the materialisation of the miracle determines the amount of blessing and provision actually received. In most cases, we make our blessings little, because our prayers are little. Note that the oil did not pour out on the ground or simply flow about. It was intended for a prepared vessel. Each vessel had to be prepared by being gathered, assembled, emptied and put in the right position. Strikingly, when there was no more prepared vessel, the oil stopped. This is to tell you that when you no longer avail yourself as a prepared vessel of honour to be used by God, the anointing stops from flowing into your life. How empty you are as a vessel determines how much anointing will flow into your life.

It is evident in the narrative that this woman was in a very desperate situation. Back then, when someone had a debt they could not pay, they had to offer themselves or their children as slaves to work until the debt was paid off. The only thing she owned that had any value was some oil, but it was almost gone, then she would be left with nothing. However, the Lord took the little which the woman had and multiplied it. He not only gave her enough money to pay her debt and keep her children from becoming slaves but he also gave her plenty extra so that she could buy food, clothing, and everything else they would need in the future. How do we know that the woman believed that God would intervene in her desperate situation? She collected jars from her neighbours. If she had not believed God, she would not have bothered the neighbours and risked being embarrassed if nothing happened. God invited this woman to be a part of His plan and her actions of faith gave proof of her trust in God. Isn't this story a beautiful picture of how much God cares for His children? This is to tell you that no problem is too great or too small for our loving God! If this woman could believe God to that extent, you too can believe God for Miracle money in this season.

As corroborated by scriptural evidence, there are three principal ways through which God supernaturally terminates, nullifies or invalidates debt. Firstly, God spontaneously and supernaturally provides the required finances just like in the above-mentioned case of the widow who was instructed to sell the olive oil and pay for her debts and she and her sons lived on what was left over (2 Kings 4:1-7). The other scenario is the one involving the taxes which were paid by extracting money from a fish's mouth (Matthew 17:24-27). In other words, God can release money supernaturally into one's account to

7 Supernatural Dimensions of Financial Prosperity

cover for the outstanding debt. You might be shocked when some day you decide to check your account and then find a lump sum of money whose depositor or origin is untraceable. This is how debt cancellation works. Even the most intelligent banker will not be able to trace the origin of an angelic deposit, yet all the books will be balancing as per accounting procedures. Secondly, God cancels, nullifies or removes the debt in the same way He used Nehemiah to cancel all the debts of the poor Jews (Nehemiah 5:1-13). Another quintessential example is the one that pertains to a King who forgave his servant and cancelled his debt worth 10,000 talents (Matthew 18:23-27). In a similar fashion, God can cause those whom you owe to irresistibly make a decision to voluntarily cancel the debt for no apparent reason. For instance, a Bank or insurance company that you owe an amount of five hundred thousand dollars can call you out of the blue and tell you that your debt has been cancelled, hence you don't owe them anything. Thirdly, God moves upon others to pay your debt just like in the case of Paul who promised to pay the debts of the saints in full and have it charged to his account if they owed anything (Philemon 18-19). The other scenario involves the Samaritan who took out two pence and gave them to the owner of the Inn and said to him, *"Take care of him. Whatever else you have to spend, I will pay it back in full when I return"* (Luke 10:30-37). In other words, God can move others even the people you have never met in life to voluntarily pay for the outstanding debt. However, believers must not try and put God in a box by limiting themselves to only one method for God has a million ways of supernatural provision. Whichever way God uses, the bottom line is that God is in the business of debt cancellation, hence if you could only open yourself to His supernatural ways of provision, you shall have all your debts cancelled within a flip of a moment so that you can begin to pave your way to becoming the world's next top Billionaire.

HOW TO TAP INTO THE REALM OF DEBT CANCELLATION

Becoming debt free is something every Christian should thrive to achieve. The Bible admonishes us in Romans 13:8 to *"keep out of debt and owe no man anything, except to love one another"* (The Amplified Bible). In fact, as believers, we should be the lender, not the borrower (Deuteronomy 28:12). The following are therefore practical guidelines unveiled by revelation on how believers can

Apostle Frequency Revelator

get out of the yoke and bondage of debt. It must be expressly understood in this regard that my solemn intent is not to create any doctrine on the subject of debt cancelation but to provide practical guidelines which believers could apply to supernaturally escape the horrendous plight of debt.

Make up your mind to get out of debt and live debt free.

A vital point of departure to the supernatural escape from debt involves giving the Word of God first place in your life, and by making it your final authority. Confession, meditation and visualization works hand in glove, hence it is imperative that you confess and meditate on the Word and then see yourself getting out of debt because if you can't see it, then you can't have it (Psalms 1:1-3; Joshua 1:8). With that being said, you must therefore pay undivided attention to Romans 13:8 and believe God to be your source for all your needs and desires. Regardless of the gravity of your circumstances, be determined to be single-minded (James 1:8, 22-25), and remain grounded on the truth of God's word. Then start talking your way out of debt and the results of your confession shall speedily manifest in your life.

Prioritize God's interests in your financial affairs.

It is imperative that you take God first in your finances because the dimension of God's supernatural provision will not work where God is not involved. Therefore, decide that no matter what comes your way, you will obey God's Word and tithe, as well as be a generous giver (Malachi 3:8-12; II Corinthians 9:6-15). Tithing lays a solid foundation for your financial breakthrough, success and opens supernatural doors of impossibility because it is the only area in the Bible whereby God removes boundary lines and grants humanity the prerogative to test Him. Therefore, the people who must tithe or give the most are those who are in debt because giving provides an immediate supernatural escape from debt.

Consistently believe God for your daily bread (Matthew 6:11).

People who easily experience an immediate supernatural escape from debt are those who are determined to heavily rely on God for the supply of their

7 Supernatural Dimensions of Financial Prosperity

daily provision. This is the money you need for your household to function every day. Your tithes and giving should be included in this, but don't cheat yourself. It is important to decide that you are living to give (Ephesians 4:28). Live on the increase from your giving, that is, reach for the place in your financial life where the income from your job or business becomes your seed for giving. And as you sow, believe for a hundredfold harvest. You will be a blessing to others and be out of debt. You will become a live demonstration of scripture that God will bless you and make all grace abound toward you; that you, always having all sufficiency in all things, may abound to every good work.

Lay hold of it by faith

It is worth exploring that as far as God is concerned, Christ has already redeemed us from debt but should you accidentally find yourself still entangled in a web of debt, you need to start claiming or appropriating the work which Christ has already done for you on the cross. Therefore, practically apply the principles set out in Mark 11:23-24. Believe in your heart and confess with your mouth that your needs are met and that you are out of debt. Prophetically decree that the windows of Heaven are opened to you, that the hundredfold return is yours in this lifetime and that you operate financially according to the wisdom of God. (Proverbs 2:1-10, 3:13-18.) As you speak it forth, it shall be established according to your word and the results shall manifest speedily and before you know it, someone will be knocking on your door to hand over a fat cheque reflecting that all your debts have been fully paid for.

Bind the devil in the Name of Jesus

It is important that you understand that while it is in the confines of God's will for you to get a supernatural escape from debt, it is also Satan's desire to keep you caged and see you humstrung by debt (Matthew 18:18; Mark 16:17; James 4:7; Ephesians 6:10-18). In some cases, the reason why some children of God found themselves entrapped in the cage of debt is because Satan has stolen, twisted and manipulated their financial blessings in the high places where some blessings are exchanged for evil and given to people for which

they were not originally intended by God. Moreover, Satan works through his agents' such as witches and manipulates the monetary system of this world to lock people into a morass of unescapable debt. Therefore, you need to lift up the shield of faith and take a very aggressive stance towards the enemy and in Jesus' Name, order Satan and all his forces out of your financial affairs. Bind every demon that is responsible for you being in debt and cast out the monitoring spirits assigned to ensure that you stay locked in debt. By the power of the Holy Ghost and through the blood of Jesus, release yourself from the yoke of debt into which the devil has locked you and declare your liberty in the name of Jesus. It is possible that some people might never become millionaires because of demons who are holding them but the minute they go for deliverance and have the demons cast out, their millions of wealth starts to manifest speedily.

Loose the forces of Heaven into your financial affairs

The Bible declares in Matthew 18:18 that *whatever we bind on earth shall be bound in Heaven and whatever we release on earth shall be released in Heaven*. It is therefore important that as much as we bind the demonic forces who want to devour our finances, it is equally important that we release the forces of divinity to work on our behalf. However, a multitude of believers usually make a grave mistake in this area because their prayers are dominated by biding demonic forces yet they hardly get to release their millions of wealth into their bank accounts. Their finances are free because they have bound the demons, good enough, but they have not released anything into their accounts, hence their financial status quo remains the same. In Heaven, unless you release something, it remains tied up. One of the Heavenly forces that must be released is the work of angels of war. It must be understood that angels play a pivotal role in our deliverance from debt by breaking the rod of wickedness centered on debt, thereby liberating the children of God from this bondage. (Hebrews 1:14; Psalms 103:20). The angels of God are your ministering spirits and they too will assist you. Therefore, ask God to send the angels of war to deliver you from your situation and it shall be done according to your request.

7 Supernatural Dimensions of Financial Prosperity

Praise God for the manifestation of His power in your financial affairs

Some people wait to get out of debt so that when things are now fine, they can start praising God. As long as they are stuck in debt, they would not see the reason why they should praise God. This is a grave mistake because praise is one such powerful force that can break down the walls of debt within a flip of a moment (Psalms 9:1-4, 67:5-6, 68:19). Praise releases an atmosphere that is responsible to penetrate every limitation or wall of resistance to bring you out of the cage of debt. Praise keeps the door to abundance wide open. When the channel between you and God is clear, you can receive His promises. Even when it seems in the natural that your circumstances have not changed, refuse to operate in the realm of senses but keep praising God and you will be thrilled in the midst of your praise to be interrupted by an anonymous call that your debt worth thousands has been paid in full.

CHAPTER FOUR

THE FOURTH DIMENSION:

THE DIMENSION OF SUPERNATURAL GOLDEN RAIN

**(Precious Stones- Gold Dust, Diamonds, Silver
Stones, Supernatural Oil)**

This is the supernatural manifestation of the wealth of Heaven on earth as evidenced by the falling or raining down of precious stones such as gold dust, silver and diamond stones and supernatural oil from Heaven.

A supernatural phenomenon in the realm of God's prosperity that has been happening for quite some time in the Body of Christ is gold dust supernaturally appearing on people as a sign of the manifestation of the wealth of Heaven on earth and the unveiling of higher

7 Supernatural Dimensions of Financial Prosperity

realms of God's glory from the deepest territories of the Glory Realm. The reality is that while paper notes are widely accepted as a measure of wealth, Miracle money doesn't always have to manifest in the form of paper notes and coins. In some instances, it can manifest in the form of gold dust, diamonds, silver stones and other precious stones, which represent the wealth of Heaven. These have the same monetary value just like any other currency in the world. This is what we call the *Golden Rain*. This wealth of Heaven has been manifested supernaturally in divergent ways evidenced by the appearance of gold dust, silver and diamond stones and supernatural oil soaked on people's bodies, on the ground or on buildings where saints gather for worship. Naturally, there have been strong speculations about the origin of this divine phenomenon and it seems that the main questions arising pertaining to these miracles are firstly, what is the source and secondly what is the purpose? However, it must be fully understood that these are end time manifestations of God's glory. The supernatural manifestation of Gold dust, silver and diamond stones is this most recent wave of glory and prosperity that is sweeping the world. We have been ushered right into the very special divine moments in the calendar of God where we are feeling the first sprinkles of the greatest revival of miracles, signs and wonders ever recorded since the Book of Acts. This is the result of the highest level of concentration of the glory of God being manifested upon the Earth. This wave of revival shall be greater than any other because we are entering the culmination of time, when we will experience the former rains and the latter rains of revival glory combined. Some of the things we are experiencing are familiar, but many things are brand new. This, too, was foretold in God's Word concerning the last days. A season of exploration and discovery has just exploded as great mysteries are being rediscovered that will unleash the greatest outpouring of God's glory and harvest since the days of the early church.

It is of paramount importance to highlight right from the onset the divine truth that contrary to what multitudes of believers presume, the manifestation of *gold dust* and other precious stones is not a new phenomenon in the realm of God's prosperity. Taking centre stage recently in packed churches is a new phenomenon that really is not that new. It is the appearance of "*gold dust*" and the transformation of fillings or crowns into "*gold*." These transformations have been hailed as a new move of God that is sweeping the charismatic churches worldwide. Throughout ages, the wealth of Heaven

Apostle Frequency Revelator

and God's supernatural provision has been manifested in divergent ways, whether it be, gold dust, gold fakes or gold teeth. However, the gravity and intensity of its manifestation is heightened in these last days in what I call "*a new wave of gold manifestations*". The truth of the matter is that the unparalleled degree of manifestation of gold dust in this end time season is not intended to be just a *Church phenomenon*, but a *Church revelation*. It is worth exploring the divine truth that in every new move of God, there are different people who play different roles. There are those who *reveal it*, those who *teach about it* and those who *write about it*. Revelation of divine phenomenon is essential in terms of reinforcing a significant level of understanding so that multitudes of people across the globe can abundantly partake of the grace which God is currently unleashing upon the church. Consider the following prophecy spoken through the voice of Prophet Isaiah:

"For behold, darkness will cover the earth and deep darkness the peoples; But the LORD will rise upon you and His glory will appear upon you." (Isaiah 60:2).

Today, this scripture is being fulfilled as the tangibility and visibility of God's glory is grossly manifested upon people. It must be understood therefore that God can use whatever He pleases to show himself real to His people. That is why He is raining down gold dust upon His people in the natural realm. Did you know that gold dust represents the wealth of Heaven? To substantiate this divine truth, the Bible concurs in Ephesians 1:3 that *we are blessed with all spiritual blessings in the heavenly places* and gold dust is a visible and tangible evidence of manifestation of these blessings. Therefore, the miraculous appearance of gold dust and other precious stones most frequently during times of worship and prayer, when hearts are focused on God's splendour and majesty, is a reflection of the spiritual truth that God is majestic and rich in spiritual blessings. Do you remember that God declared in Deuteronomy 31:6-8 saying, "*I will never leave you nor forsake you*"? These supernatural manifestations of gold dust are an incontestable or undeniable evidence that God is with us. In fact, when the gold dust manifests, this truth is confirmed and our hearts soar in praise of our Royal King as He gives us a glimpse of His power and greatness. Pertaining to the Greater Gory in the end time dispensation, God declared in Hagai 2:8, 7, that,

'I will shake all the nations; and they will come with the wealth of all nations, and I will fill this house with glory,' Says the LORD of hosts. The silver is mine and the gold is mine, declares the LORD of hosts. The latter glory of this house will

7 Supernatural Dimensions of Financial Prosperity

be greater than the former,' says the LORD of hosts.

Note that in the context of the above-mentioned scripture, God talks about Gold dust and silver after emphasizing the shaking. In actual fact, there are three things which God unveils in this scripture. Firstly, the *spiritual shaking*, then the *silver and gold manifestation* and lastly *the appearance of the glory*. This implies that the manifestation of gold dust is a sign of a great shaking, spiritual awakening and the supernatural move of God. It is a visible and tangible manifestation of God's glory in these end times. When Heaven is shaken off, it releases an uninterrupted flow of wealth in the form of gold dust, diamonds, silver and other precious stones. Do you notice that in our opening scripture, God mentions that glory will be greater. That means, there is a connection between gold dust and the glory. This implies that gold dust is a manifestation of the latter glory. In actual fact, it is the Glory of God that rains gold dust and diamonds in church. Therefore, when God said, "*The glory of the latter house shall exceed the former*", He actually spoke of these new waves of signs and wonders which shall invade the natural realm in this last dispensation.

It is worth mentioning that as an unchanging God, the Lord will continue to orchestrate, manifest and release these new waves of miracles at ever increasing glory. As these precious stones shall continue to fall and oil oozes out supernaturally from the atmosphere, it is as if God is revealing a glimpse of His glory to His church. He is revealing Himself as a supernatural God on behalf of His children while worldly people shall see but not partake of this grace. Prophetically speaking, as ministers across the globe delve into the deeper revelation of Isaiah 60:2 encapsulated in this publication, gold dust, oil and precious stones shall begin to fall and appear in the hands of their congregants in greater intensity. It is worth exploring the divine truth that Gold dust is a sign of God's majesty, wealth and glory present in our lives. It is a spontaneous manifestation of the wealth of Heaven on earth. However, some people erroneously presume that it is strange that God would reveal His majesty in this way, but we should try to let God out of the box since He has every right to display His glory and reveal Himself in whatever way He sees fit! The Bible tells us that gold is used to pave the streets of Heaven. We think this is amazing, but if God wants to use gold to pave the streets who are we to tell him that He shouldn't? Have you not heard of how Moses and the elders of Israel went up Mount Sinai and when they came into the glorious presence of God, the pavement under their feet was made of sapphire? This is to tell you that you shouldn't insist that God does things your

Apostle Frequency Revelator

way. Philosophically speaking, God doesn't have to use cement or asphalt on His Heavenly roads. He can use sapphire, gold, silver or whatever precious stones He chooses. He doesn't have to use human means of communication to prophetically convey a message to His people. Although humanity living so much in the lower plane of life are acclimated to the use of words and pictures, if God wants to use gold, diamonds and gems to communicate with His children, then who are we to tell Him that He is doing it wrong? In the realm of the spirit, creativity is not only expressed through words and pictures but through prophetic actions. That is why in the realm of the spirit, it is possible to communicate without the use of words. In prophetic language, this is what we call *dramatic prophecy*. Imbued with this understanding, you suddenly realise that we should not be surprised that God is making gold dust and gems appear out of thin air because nothing is too difficult for God to do. All He has to do is speak and it is done. Therefore, our onus is to praise Him for choosing extravagant and creative ways to reveal Himself to us. Pertaining to the proliferation of gold dust in the natural realm, God proclaimed in Job 22:21-25 saying,

Now, acquaint yourself with him, and be at peace, so that good things shall come to you. Receive the law from his mouth, and lay up his words in your heart. If you return to the Almighty, you shall be built up, you shall put away iniquity far from your tabernacles. Then shall you lay up gold as dust, and the gold of Ophir as the stones of the brooks. Yea, the Almighty shall be your defence, and you shall have plenty of silver.

This brings one to sudden realisation that there are also many beautiful and useful elements underground such as gold, silver, gems, coal, and oil which God has created. I don't see it as contrary to His nature throughout the centuries for Him to bestow the actual physical elements of gold, silver, gems, oil or other gifts supernaturally whenever He might choose. The Bible makes it explicitly clear that God created all things and owns everything. In Psalm 104:24, David declares: "*The earth is full of Your possessions.*" In 1 Chronicles 29:11, it reads, "*Yours, O LORD, is the greatness, the power and the glory, the victory and the majesty; for all that is in heaven and in earth is Yours.*" Everything in the ground, above the ground, in the air, and all that passes through it, ultimately belongs to God. He owns the cattle on a thousand hills and the wealth in every mine, although He has committed it into our hands. This is to tell you that wealth is a stewardship from God. Whether it's money, land or possessions, we will never be rightly related to what we have until we recognize that it belongs to God.

7 Supernatural Dimensions of Financial Prosperity

Prophetically speaking, in this end time dispensation, there shall be a wide spread global manifestations of gold, silver dust and gemstones appearing upon people mainly during church meetings. Supernatural oil shall be seen visibly dripping from hands and figures of people, some of which shall receive gold coins, jewels, gems, diamond or silver. It must be expressly understood that these precious stones are not limited to Gold dust and silver stones only but to other supernatural experiences of other precious stones such as sapphires, topaz, emerald and rubies. In this season, God has sent the *angel of precious stones* for His people to experience manifestations of diamonds, topaz, emerald, rubies as well as gemstones falling from the atmosphere, inside churches by the hands of angels. The scriptural reference to this supernatural phenomenon is found in Exodus 13:30 where it is recorded that *the High Priest wore breastplates adorned with twelve precious stones*. Therefore, gold dust, silver and diamond stones are just exactly like the twelve stones of the Ephod, the twelve stones of the twelve tribes of Israel. In an endeavour to ascertain the credibility and authenticity of this supernatural phenomenon, some diamonds were taken to experts who analysed and examined them and accordingly declared that the cutting of these stones was so perfect, that they couldn't give them value for the percentage of the diamond stones for there were none like that on earth.

Coupled with this wave of gold dust manifestations is a heightened degree of angelic activity, visitation and manifestation. Multitudes of believers shall encounter these beautiful transparent figures or spirit beings not in an expanded or apparition form as is the norm in Christian fraternity, but in a visible form in the natural realm just like human beings. In other words, angels shall physically appear, not raining gold dust per se but precipitating real gold and diamond stones upon God's people so that they can sell them and advance the preaching of the gospel. However, the degree, intensity and magnitude of manifestation of these spiritual experiences shall all depend on the degree of adoration, level of sensitivity and openness to this spiritual phenomena as well as the depth of worship by believers. However, this phenomenon shall spill over to people's houses, homes and yards, businesses, schools, in the streets and market places where God manifest the visibility and tangibility of His glory to all creation. In the face of a darkening global economic outlook, God has a contingent plan to render His people a supernatural bail out from poverty, lack and debt. It is for this reason that believers shall sell the gem stones and diamond stones they are receiving supernaturally, so that they can obtain money to pay off debts. This is akin to a divine scenario in the Old Testament, whereby the Children of Israel needed food miraculous-

ly. They couldn't use money at that time as there was no food to buy. So, God provided the manna for that time and that need was met. By the same token, God shall provide gems or gold coins (*as some have received*) to be sold to buy food or meet our material needs and give us enough to help others whenever He chooses to. Strange as it may sound, we may personally need these items someday soon, hence it is best not to limit God in any way. Some of these precious stones shall be sold for a value worth of millions of rands and this shall create a platform for many believers across the world to be elevated into the realm of Kingdom Millionaires.

Although these supernatural manifestations breed awe and amazement to spectators, and ruffles the feathers of those whose minds are intricately interwoven in the monetary system of this fallen world, the Bible foretold that signs and wonders of such a great magnitude would be seen in the last days, and the manifestation of gold dust, diamonds, silver as well as other precious stones is one of them. Over the last few years, there has been a lot of reports of gold and silver dust appearing upon people, mainly in charismatic Christian meetings. Some have also received gold coins, gems, as well as oil dripping from hands of individuals in their homes. Others are receiving angelic manifestations seen above them as flowing beautiful transparent figures and circles of faint light referred to as *angel orbs*. Moreover, angels' feathers, gemstones, coloured sparkle and gold dust are accelerating. Many are attaching prophetic significance to this current wave of gold manifestations, heralding a new phase in the church, being prophetic of the establishment of God's Kingdom on earth, or being symbolic of the transference of wealth from the wicked into the Church. The Angels of precious stones who works in conjunction with Angels of prosperity shall be seen on the rise, visibly manifesting and engulfing the scene where God is worshiped in truth and in spirit, infesting it with the glory of His presence.

To cement the revelation of this divine phenomenon with reference to practical evidence, manifestations of *gold dust* on hands and other parts of the body has been reported occasionally in some of our meetings. These are what appears to be tiny specks of gold appearing in the hands, where wiping the hands has the effect of depositing the gold specks on clothing. This manifestation appears to be transferrable, either by prayer or by simple contact, others do exhibit this manifestation. The *law of contagious experience* seem to have taken its course in this new move of God. For example, during one of our meetings, gold dust started appearing in the hands of one lady. Upon wiping her hands on her clothing, the gold dust appeared to have been

7 Supernatural Dimensions of Financial Prosperity

deposited upon her clothing and yet the amount of the dust on her hands seem to remain constant as if the gold dust spontaneously reappeared after wiping on clothing. This woman then started laying her hands on anyone around her lining up to receive the blessing and many others reported the appearance of gold dust on their own hands. Moreover, Gold dust was reportedly appearing not only in hands, but also on the face and in the hair of the congregants. There were even reports of *gold flakes* appearing in the pages of people's bibles, cars, bags and houses. Not only gold, but manifestations of silver and even diamonds and other precious stones such as onyx, pearl, jasper and emerald has also been reported. Others found the gold dust in the prayer rooms and on worship instruments and it was constantly appearing further and further back along the walls until it finally met at the back doors of the sanctuary. Moreover, people reported gold appearing spontaneously in their teeth. In some cases, the dark amalgam fillings in the teeth appears to have transmuted itself into gold fillings. In other cases, gold in the shape of crosses appeared in teeth, and also gold crowns covering the teeth. Along with the "*gold teeth*" manifestations, occurrences of gold dust, gold flakes are increasing worldwide. Shiny sparkles of diamond dust and silver dust were received during services as people received the gold inlays and silver fillings, some in the form of a cross and the actuality of gemstones falling from the atmosphere, inside churches. Accompanying this divine manifestation, it has been further reported that a "*Glory Cloud*" appeared during worship services. In short, a cloud of gold-like dust was hovering up by the roof. It caused some hysteria during worship as multitudes of people were crowding together in exhilaration underneath the glory cloud, with some falling hysterically under the power.

To substantiate this supernatural manifestation with reference to scriptural evidence, God declared in His word that *behold I'm doing a new thing. Can't you perceive it as it springs forth?* Gold dust is one of the new manifestations which are encapsulated in this revelation. The reason why God calls this manifestation a "*new things*" is because it is fresh from the Throne Room of God and do not have a name as yet in the natural realm. Moreover, God declared in Jeremiah 33:3 that "*Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not.*" This implies that there are newer, deeper and higher things in God which the world has not discovered yet but God unfolds them to His children through the power of the Holy Spirit. Therefore, in this end time season, we have been catapulted into a *realm of new things*. The greater truth is that in every generation, God unleashes or reveals His hidden wisdom through the revelation of new things. These are divine

Apostle Frequency Revelator

substances which are released from Heaven to earth, which unveils the reality of God's presence. It seems that the Lord is now doing very unusual things which simply don't have any physical explanation. Since God is still a Creator, He is still in the business of creating new things and each new move of His Spirit has its own mark upon it.

The Bible declares in Isaiah 40:5 that *the glory of God shall be revealed and all flesh shall see it*. This implies that this is the season of visitation of the glory of God. Every eye is beginning to see the glory of God manifested through wide spread demonstrations of Miracle money and gold dust across the globe. The glory is no longer hidden but publicly manifested in the streets, market places and public arena. This divine truth is corroborated by Habakkuk 2:14 that *the earth shall be filled with the knowledge of the glory of God*. In this last wave of signs and wonders, God is therefore raining down gold dust as a new spiritual substance in the same way He rained manna down in the wilderness for the children of Israel to eat. When God rained down manna, it was a completely brand new spiritual substance to the children of Israel just like the gold dust appearing these last days. Through these new things or supernatural appearance, God is proving Himself as a visible and tangible God who is not far away from His people but is practically involved in the affairs of humanity of on a daily basis. In this end time season, God is therefore doing a new thing, and sharing with His people the glory of His face, and a little of His splendour is rubbing off in the form of dust, so that the individual may be edified, as with tongues, the Church strengthened, and the lost brought into the Kingdom of God.

The greater truth is that God will do whatever it takes to get our attention and gold dust manifestations are a wakeup call that is only going to intensify in this end time season. He is shocking His Body, and at the same time testing the waters as to who will be open to His workings of supernatural provision. *"Why did Jesus Christ walk on water when he could use the available boats? Why turn fish and bread into thousands while the disciple could go and buy food?"* These are not miracles, they are signs and wonders. God does them to prove a point. Therefore, gold dust is a sign that God is present. God said we should expect signs that would point to Himself. He declared *"I will show wonders in the Heaven above and signs on the earth below, blood and fire and billows of smoke"* (Acts 2:19). The manifestation of gold is a sign and wonder that points to His internal and external qualities, part of a visible representation of an invisible God.

In its original form, gold dust represents the wealth of Heaven which God

7 Supernatural Dimensions of Financial Prosperity

is unreservedly manifesting on the earth in the last days. God declared that, *“Silver is Mine, and the gold is Mine. The glory of this latter temple shall be greater than the former,”* (Haggai 2:8-9). Moreover, the Bible says that wealth belongs to God and He has given it to the son. The Bible further says in Job 22:24 that,

Then shalll you lay up gold as dust, and the gold of Ophir as the stones of the brooks. If you lay gold in the dust, and gold of Ophir among the stones of the torrent-bed, then the Almighty will be your gold and your precious silver.

This is where the divine revelation of gold dust stems from. This implies that God owns everything and does not owe anything, hence He has freely given or lavished such humongous wealth upon His children. This wealth is manifested in the form of gold dust and other precious stones. This means that a global revival which by far exceed any other revivals ever manifested in the history of humanity, accompanied by manifestations of gold dust and other precious stones, has just exploded. However, it is of paramount importance to note that the gold dust is not an end in itself but a means to an end. It is only a sign of what is to come. The end is that an avalanche of billions of souls will be saved across the globe. When the gold appears, it is an indication that the spiritual climate is ripe and the atmosphere in a meeting is charged for miracles, hence anything can happen that can lead to a stream flow of multitudes of souls into the Kingdom. This is the same anointing in which Jesus operated when He raised the dead and moved in signs and wonders which practically demonstrated miraculous provision. By sending this unusual manifestation into our midst in this present time, God is saying to us that we can expect to see greater things than these in this season.

The question is: Why does God rain gold dust and other precious stones on earth in this time?

Spiritually speaking, Gold is the *colour of harvest*, hence the heightened degree of manifestation of gold dust represents the fact that the harvest of billions of souls across the globe in this end time season is ripe. As God pours out His Spirit in this unusual and unprecedented way, the golden glory is attracting, magnetising and drawing multitudes into the Kingdom in record numbers. As a matter of fact, the manifestation of gold dust has proven to be a most powerful tool for evangelism and reach out campaigns in these last days. This is because the nature of this generation is such that people are generally curious, and would want to see something tangible and visible for their faith to be strengthened in God and this manifestation is the exact kind

of recipe that draws the curious into the Kingdom. Gold is therefore a visible sign heralding that the glory of God has returned to His people, and that the glory is no longer a mysterious, invisible or distant phenomenon but a reality of this age. The ordinary men, who previously *“sinned and came short of the glory of God”* are now being drawn to the glory of God, so to speak, when they see it manifesting in the natural realm. When they see it manifested, they are drawn to repentance and are saved. The prophet foretold: *Arise, shine; for your light has come! And the glory of the LORD is risen upon you* (Isaiah 60:1). When the glory of God is seen upon us, people are attracted to it like metal to a magnet, thereby positioning us for a harvest.

The manifestation of gold dust signifies the revelation of the visible and tangible latter glory of God.

It is an irrefutable fact that gold dust is a product of God's glory. Whenever the glory of God manifests in a tangible and visible way, gold dust usually appears as an evidence of its manifestation. Whenever the glory of God used to appear or manifest in the Old Testament, thunder, clouds, smoke and lightning would accompany its manifestations. These were not the glory but the symptoms or signs which show that the glory is present. While God has million ways of manifesting His glory, in this end time season, He chooses to rain down gold dust and other precious stones as evidence or signs of the presence of His glory. I recall vividly the day when I preached on Isaiah 60:2, and suddenly gold dust, supernatural oil and other precious stones began to fall and flow through the hands of many who were present and since then, it has continued to manifest in all our meetings.

Gold dust is meant to draw multitudes of people to God.

This is what the Bible mean when it concurs *that the Gentiles shall come to your light, and Kings to the brightness of your rising*. This means that as the *light* which represents the glory of God is displayed through gold dust manifestations, millions of souls shall stream to the Kingdom, to worship God. In the context of the above-mentioned scripture, the *brightness of your rising* speaks of the glorious gold dust anointing which is elevating you to a higher realm of dominion and sonship in Christ. When it says *“Lift up your eyes all around, and see; they all gather together, they come to you; your sons shall come from afar, and your daughters shall be nursed at your side* (Isaiah 60:3-4).” It is actually talking about an unprecedented avalanche of billions of souls from every sphere of human existence, streaming into the Kingdom as the glory of God is manifested through gold dust and draws every creation to the father. Therefore, the

7 Supernatural Dimensions of Financial Prosperity

manifestation of the glory of God through gold dust leads to a harvest of souls as the *rain of the Spirit* produces a bumper harvest.

Prophetically speaking, in this season, the viscosity of the glory of God shall be manifested to the extent of spilling over and gushing beyond the church doors and bars into the streets, market place and public arena. This divine spectacle shall culminate in a scenario in which even hard core unbelievers and drug addicts shall be drawn to the glory and be saved. In some cases, as believers gather to honour the Lord through worship, the golden rain shall come down so thick like snow and gold flakes shall appear everywhere, all over the carpets, bibles, on the chairs, on the floor, and on the hands and faces of people or even at home to the extent that such manifestations shall inevitably culminate in government officials of nations constitutionally endorsing Jesus Christ as their Saviour.

Through the gold dust manifestations, our number one agenda in this season is to make God more real and being born again a fashionable experience right across the whole world. The message we are sending across is that no one should be left behind clinging on the shore line, standing at the bus stop or packed at the parking lot when God is visibly and tangibly moving on behalf of all humanity.

However, it is worth mentioning that the gold dust phenomenon has suffered severe criticism by sceptics who lack revelation and are sailing their boats through shallow streams of spiritual understanding. I too was a bit uncertain about it when it first unraveled from the horizon until the Lord led me to Haggai 2:8-9, where He says, *“The silver is Mine and the gold is Mine. The glory of the latter house will be greater than the former.”* The Lord then told me that the latter house is the present church and that His glory is associated with God’s presence intensely manifested in every believer which shall invade every sphere of life in this end times. It is for this reason that I strongly believe the manifestation of gold dust and other precious stones is a sign of the imminence of Christ’s second coming. The viscosity of Shekinah glory dust is manifesting like showers of golden rain which are ushering us into the Grand Finale of the earth. Therefore, concerning our urgency to respond to this glory that is being unreservedly being poured out from the Heavens, God is echoing the same Word which He spoke through the voice of Prophet Isaiah and He is saying:

“Arise, shine, for your light has come, and the glory of the Lord rises upon you. See, darkness covers the earth and thick darkness the people, but the Lord rises upon you”

Apostle Frequency Revelator

In other words, although darkness covers the sceptics, critics and those who reject the glory of God, gold dust shall fall upon you like rain. Put differently, although the financial darkness hovers over ordinary folks, who have been enslaved by the failing economic system of this world, upon you, the glory of Miracle money and gold dust manifestations is rising. For clarity of purpose, let us refer to another scripture in Zechariah 10:1, where it says,

“Ask rain from the Lord in the season of the spring rain, from the Lord who makes the storm clouds, and he will give them showers of rain”

This implies that anybody who shall open up to this new wave of signs and wonders shall qualify to be a recipient of this glorious phenomenon. However, those who shall resist, criticise and condemn it, will in a way shut a door against themselves, hence shall only see but not partake of it. However, in a view to reinforce the veracity and authenticity of evidence of this supernatural manifestation, the following are “tests” to determine if a manifestation of gold dust is a genuine work of the Holy Spirit: No. 1. *Does it honour the person of Jesus Christ?* No. 2. *Does it produce a greater hatred of sin and a greater love for righteousness?* No. 3. *Does it produce a greater regard for Scripture?* No. 4. *Does it lead people into truth?* No. 5. *Does it produce a greater love for God and man?* If the answer to all the above questions is yes, then the gold dust manifestation is directly from God.

In view of ample scriptural evidence unravelled above, it is unequivocally clear that this supernatural golden substance is a sign of the glory of God coming upon His people. In essence, gold represents the glory of God. In the Old Testament, the children of Israel brought their riches of gold, silver, and jewels into the wilderness tabernacle. The tabernacle was filled with these symbols of the glory of God. When the Lord gave instruction for Solomon’s temple, He told them to overlay everything with gold, including the walls and ceiling. Even the veil that separated the manifest glory of God from the rest of the temple had golden thread woven into it. It is strikingly interesting to note that God has always chosen to represent His glory with a golden substance. Isn’t it amazing to realize that as New Testament believers, we are now the carriers of God’s glory? We carry His presence here on Earth; we are His temples. If the glory of the Old Testament was just a fading glory (2 Corinthians 3:7-11), then how much more does the Lord want to cover us in the presence of His glory today! I believe that these things we are experiencing are simply prophetic signs of the glory of God being released

7 Supernatural Dimensions of Financial Prosperity

upon the earth. It is therefore undeniably true that God wants us to display His glory in the earth in these days of His outpouring!

CHAPTER FIVE

THE FIFTH DIMENSION:

THE DIMENSION OF SUPERNATURAL FINANCIAL MULTIPLICATION

This is a direct multiplication or recreation of the substance of money by either speaking it into existence or supernaturally transmuting and converting a natural substance into another form in which it appears quantified in the natural realm. It entails the supernatural multiplication of money, food, property and other natural substances under the influence of the Holy Spirit and the invisible work of angels.

It is worth exploring the truth that in this end time season which marks the last wave of prosperity revival, believers shall be catapulted into God's creative power to speak money into existence or convert any tangible or visible substances into multiple dimensions. For example, you can use your royal prerogative as a son of God by taking a twenty dollar note and multiplying it into twenty thousand dollar notes. What a spectacle! But how possible is that in the natural realm? You see, the instant you speak to money and command it to multiply, in the invisible realm, angels will start

7 *Supernatural Dimensions of Financial Prosperity*

populating the money into multiple dimensions. I'm conscious of the fact that I'm about to step on some religious toes especially of those who are more devil-conscious of the power of magic and less Christ-conscious of the power of God. The truth is that some of the miracles which God is unfolding from the Throne Room of Heaven at this time will ruffle the minds of those comfortable with the status quo. Although it boggles the mind, this is the same dimension of creative power in which God operated when He spoke to the darkness of the earth in Genesis 1:3 and said, "*Let there be light*" and light came forth.

Therefore, as believers, we have the same creative power of God in our spirit such that we are able to speak anything we want to see into manifestation in the physical realm and it shall be established in the realm of the spirit. During the creation, God did not use one method to create the world. In some cases, He spoke the word and material substances appeared. In some cases, He took material substances and converted them into another form. For example, He took dust and converted into a human being called *Adam*. In a similar fashion, believers have the power to create money from any natural substances which they might wish to. For example, converting books into piles of paper money. I know that I'm already stepping on some religious toes especially those of religious charlatans and those who are sailing their boats through shallow streams of spiritual understanding. As believers step into the realm of the undefinable, uncharted and unrecorded signs and wonders in this last season, some of these miracles demonstrated will be so deep such that the spiritually uneducated will just look at them and think it is the devil behind their manifestation yet it's God. This is in view of the fact that in some cases, people's level of faith is not so much developed that they are not aware that we can operate like God on earth and follow the exact pattern which He followed to create substances of the Universe.

There is another dimension of financial prosperity whereby the little wealth, money or property in your possession just supernaturally multiplies, doubles, triples or quadruples into quantities, measures and volumes you never imagined before. This is the supernatural multiplication of wealth. It is a realm of creating something humongous from a very little substance (John 6:11; 2 Kings 4:7; Luke 5:5-7). Have you not heard of how God supernaturally provided a perennial supply of food for the widow of Zerephath in the midst of a famine? The Bible records in 1 Kings 17:8-16, that the barrel of meal and the bottle of oil would not be depleted until the rain returned and she and

her house did eat for the whole year. In other words, no matter how much they used, there was always enough left over in the containers. In a similar manner in which Elijah caused the flour and oil of the widow of Zerephath to multiply, the season has come whereby believers across the Body of Christ will speak to the little money, food, grocery, clothes, products or any other resources they have and command it to multiply to any level of abundance they desire and it shall happen exactly as they declare it. In the context of this revelation, believers whom by profession functions in the realm of business, sales and marketing shall touch and speak to their products and have them multiplied beyond measure. Owners of supermarkets shall sell their grocery products for the whole year without running out of stock and accordingly believers acting in the capacity of customers shall buy grocery products and use them on a daily basis without them being depleted.

Prophetically speaking, there shall be such an instantaneous manifestation of a hundred, thousand and million fold increase in everything that believers sows, declares or invest. In the morning, one will deposit a hundred pound in a bank and then withdraw a thousand pounds by the evening, the other will invest a thousand pound by day but then receive a return on investment of million pounds by night. In other words, divine arrangement of circumstances as catalysed by angels shall cause all forces of divinity to work on behalf of believers and everything shall align itself to the sovereign will of God. Moreover, after using your debit card to purchase items from shops, you shall command the money to get back into your account and it shall be as you say it. Furthermore, you shall continue using your bank card to purchase anything while the balance in your account does not change at all. This is not fraud but God's grace coupled with His favour manifesting in an unusual way. When God declared in Deuteronomy 3:23, 7:11 that you shall occupy houses which you never build, He meant that believers will be elevated into this realm whereby they receive God supernatural provision of finances in every sphere of life even without doing anything. In this season God is relocating you from a nation called lack into the realm of super abundance. Your grocery will not run out, the few eggs left in your cardboard will not run out, you will eat and eat but they will not run out of supply. To substantiate this revelation, a lady from South Africa, Melissa Simon by name testifies about how money multiplied right in front of her own eyes. After failing to pay my monthly rent, collectively church members dug into their pockets and blessed her with R1 700. She was then asked to count the money before she leaves, hence she double checked and confirmed that she had the exact amount needed. When she got home, she recounted the money, only to realise that

7 Supernatural Dimensions of Financial Prosperity

there was an extra R200 note. Baffled by this, she counted the money again and was still left with an extra R200. She thought that it was fake money, so, she rubbed the brown R200 note together and, miraculously, the R200 note split into two R200 notes, hence she had an additional R400. Overwhelmed by what she had just witnessed, she checked the money once again and verified it by recounting it carefully. This time around, there was an additional R300 notes. It was as if the money multiplied just like Jesus multiplied two fish and five loaves to feed the thousands!. In total, she had now been blessed by the Lord with an additional R700. This was indeed an enthralling money multiplication miracle!

The Bible further presents a thrilling scenario in John 6:5-14, in which Jesus supernaturally multiplied fish and loaves into dozens of bread and multiple fish which fed five thousand men. In other words, Jesus used the little they had as a point of contact to bring forth a thousand fold.

Prophetically speaking, in this end time season, the little resources that people have as their last resort such as food, money, offerings, gifts, sacrifices will multiply supernaturally in ways that the human mind will fail to comprehend. In this season, you are going to be at the frontline of a Miracle money revival to feed the masses following people's demise due to the incidence of natural disasters, outbreak of water and other calamities which might befall humanity. In some cases, you are not even going to need a lot of money to buy food but you are just going to take one little meal and divide it in the same manner in which Jesus touched the loaves and fish and they supernaturally multiplied. In communities where the governments of nations have dismally failed to render basic services, believers shall take responsibility to feed the masses though supernatural multiplication of wealth. This shall be a fulfilment of the scripture in Romans 8:19 that *the earth waiteth in earnest expectation for the manifestation of the sons of God*. As sons of God are manifested, not only will they heal the sick but they will also rise with such amazing power and mountain moving faith to command the supernatural multiplication of natural substances in a view to accomplish tasks which the government of nations have failed to, hence the masses in every facet of human existence shall acknowledge the sovereignty of God.

Have you not heard of miracles of harvest multiplication which God performed on behalf of Isaac? The Bible records a spectacular incident in Genesis 26:12-14 (NLT) that *When Isaac planted his crops that year (in the midst of a famine), he harvested a hundred times more grain than he planted, for the Lord blessed*

Apostle Frequency Revelator

him. In other words, God supernaturally multiplied his harvest. What the Bible describes as a hundred-fold increase was actually a multiplication of the seed which Isaac sowed. As a consequence, he became the richest man alive at that time. He acquired so many flocks of sheep and goats, herds of cattle, and servants that the Philistines became jealous of him. This is what a supernatural multiplication of wealth does. There are two dimensions of sowing unveiled in this scripture, firstly, the one which involves the spiritual act of giving to the work of ministry and secondly, the one which involves the natural act of sowing seeds by farmers. In a spiritual context, as believers sow their financial seeds in this season, finances shall begin to supernaturally multiply in offering baskets, banks and wallets and handbags and it shall be used for the furtherance of the gospel. In a natural context, believers who shall sow seeds in their farms shall supernaturally reap a thousands and million fold increase just like Isaac and this shall be used to feed the masses across the globe who are entangled in a morass of debilitating poverty as a result of satanic slavery. Just as surely as God gave Isaac the miracle of a hundredfold release when he needed it the most, God wants to do the same for you. Paul concurs in 2 Corinthians 9:10 (NLT) that God is the one who provides seed for the farmer and bread to eat. In the same way, He shall provide and increase your resources and produce a great harvest of generosity in you. In other words, Paul alerts us that God is the source of all supernatural multiplications of wealth, hence no one should view this end time supernatural financial revival with suspicion. Moreover, God declared in Leviticus 26:4-5, 9-10 (AMP) that,

“I will give you rain in due season, and the land shall yield her increase and the trees of the field yield their fruit. And your threshing [time] shall reach to the vintage and the vintage [time] shall reach to the sowing time, and you shall eat your bread to the full and dwell in your land securely. For I will be leaning toward you with favor and regard for you, rendering you fruitful, multiplying you, and establishing and ratifying My covenant with you. And you shall eat the [abundant] old store of produce long kept, and clear out the old [to make room] for the new.”

For clarity of purpose, allow me to refer to different versions of the Bible so that you can feel the impact of what God is saying here. (NLT): *“You will have such a surplus of crops that you will need to get rid of the leftovers from the previous year to make room for each new harvest.”* (NIV): *“You will still be eating last year’s harvest when you will have to move it out to make room for the new”*. This is the essence of the supernatural multiplication of wealth. The Bible further declares in Deuteronomy 28:8, 11-12 (AMP): *“The Lord shall command the blessing upon you in your storehouse and in all that you undertake. And He will bless you in the land which*

7 Supernatural Dimensions of Financial Prosperity

the Lord your God gives you. And the Lord shall make you have surplus of prosperity, through the fruit of your body, of your livestock, and of your ground, in the land which the Lord swore to your fathers to give you. The Lord shall open to you His good treasury, the heavens to give the rain of your land in its season and to bless all the work of your hands; and you shall lend to many nations, but you shall not borrow". The above mentioned scriptural reference is therefore ample evidence of the dimension of supernatural multiplication of wealth which God is lavishing upon believers in this end time season.

There is another dimension in the realm of Miracle money which involves creating a new substance through the exercise of the God kind of faith (Genesis 1:1; Hebrews 11:1-3; Romans 4:17; John 2:7-10; Luke 3:8). It is worth exploring the divine truth that in the realm of the spirit, things are created by the spoken words. As far as God is concerned, words were not primarily given for communication purposes only but for the release of the supernatural creative power of God. For instance, when God created the world, He spoke and said *light be* and the Holy Ghost proceeded from the father, went forth and brought those things which He spoke into manifestation. As a child of God, born of the spirit of God, you have received an impartation of an inherent creative power and ability into your spirit to speak things into existence, not only in the spirit but into physical manifestation. It is important to note that in this end time season, not only shall believers speak substances into existence but they shall also recreate substances or convert them from one form of matter into the other. Prophetically speaking, as we have been launched into the final season which marks the final move of God and the final wave of prosperity, believers are going to experience extraordinary manifestations of God's power in the area of translation of natural substances.

Have you not heard of how in John 2:1-11, Jesus supernaturally turned water into wine and filled dozens of gallons of wine? This is the dimension of recreation of a natural substance which Jesus tapped into to meet a human need in the natural realm. It is possible for the realm of the spirit to transmute itself into the natural. For example, some believers across a broad spectrum of Christian faith have been able to tap into the realm of the supernatural to transfer the healing power of God into water so that those who happen to drink or come into contact with it are instantaneously healed. However, many have not been able to catch a divine revelation that even the substance of water itself can be turned into another substance that can be used for Kingdom purposes in the same way Jesus turned water into wine. If water could be turned into wine, then an overdraft can be turned into a

Apostle Frequency Revelator

draft of millions. In this era, while it might not be necessary for you to turn water into wine, water can be turned into any other substance that can meet a human need. For example, it can be turned into fuel and used for transportation purposes or converted into oil for lubrication purposes or even turned into juice for consumption purposes. In these most harsh economic times in which the prices of oil and petrol are skyrocketing on a daily basis, God can allow you to turn water into petrol so that it can be used to transport believers all over the world to propagate the gospel of the Lord Jesus Christ. Moreover, in the same way Jesus changed water into wine because there was a need, God can change any substance into physical money when needed. For example, it is possible for one to turn a book into piles of valid and authentic money. I am not talking about magic but the supernatural power of God on display. As a matter of fact, many of those things which magicians have done which breeds awe and amazement to the spectators are actually an imitation because Satan has nothing original by himself but photocopies what He sees Going doing. If you could only decide to live by heavenly understanding, you will realise that in the spirit realm, anything can be changed into everything. If you need clothes, you can command just one piece to turn into a line of clothes; if you need food, you can command any reasonable substance to turn into food and it shall be established for you in the realm of the spirit. That is why the Bible says you shall declare a thing and it shall be established for you. In the context of this scripture the word *“thing”* represents anything. Imbued with this understanding, you realise that it is possible to convert any natural substance into anything.

CHAPTER SIX

THE SIXTH DIMENSION:

THE DIMENSION OF SUPERNATURAL MONEY RAIN

- Miracle repairs
- Supernatural Airtime loading
- Supernatural Resurfacing of fuel gauges in cars
- Food multiplication and provision by angels
 - Crops sprouting on dry land
- Supernatural rains in arid areas

This comprises of a direct visible raining down of money from Heaven upon those who place a demand by faith for such a manifestation by making a pulling on the supernatural. Contrary to what some

Apostle Frequency Revelator

folks presume, it is absolutely possible for money to fall or rain directly from Heaven in a visible and tangible form in broad day light upon those who believe God for the impossible. This is what I call Money Rain. I'm not talking about money falling from trees but on people whose level of faith has been cultivated and rightly positioned to make a pulling on the supernatural by transmuting the spiritual substance of money from the spirit realm into a visible and tangible manifestation in the natural realm. This alludes to the divine truth that Miracle money is manifested through a divine phenomenon called supernatural rain. This involves the precipitation of showers of rain from the spirit realm into the natural realm. By supernatural rains, I'm not referring to the normal rain which comes during the rainy season. Instead, I'm talking about the rain that comes from the spirit and is manifested in the natural realm as if it is natural. The difference between the rain of the spirit and natural rain is that natural rain comes from the clouds while the rain of the spirit comes from Heaven. And it is this supernatural rain of the spirit that breeds Miracle money into visible and tangible manifestation in the natural realm. While many manifestations of Miracle money have taken place supernaturally without people seeing it, this grace shall intensify in this season to such an extent that many believers shall physically and visibly see money raining down from Heaven. Others shall be catapulted to the realm of open vision and behold Heaven opening up and angels pouring out the rain of Miracle money down to earth upon the masses who are connected to His purpose. This is the extent to which the viscosity of this grace shall be heightened in these days. The Bible records a remarkable incident which took place at Cornelius's house in Acts 10:1. It states that as Peter began to speak, the Holy Ghost fell upon all those who heard the word. The act of the Holy Ghost "falling" describes the rain of the Spirit as it precipitated from the Throne Room of Heaven. In a similar manner in which the rain of the Spirit fell upon the masses who were connected to God's word, in this season, as believers gather in worship and the word is preached, at the sound of the minister's voice, the rain of Miracle money shall fall upon the masses who are connected to God's word.

In a similar fashion in which Elijah the Prophet declared, "I Hear the sound of the abundance of heavy rain" (1 Kings 18:41) and "It came to pass in the meanwhile, that the Heavens were black with clouds and wind, and

7 Supernatural Dimensions of Financial Prosperity

there was a great rain”, I walk in the footsteps of Elijah the prophet and I declare and decree that, “**I hear the sound of the abundance of Money rain**”. As I echo and reiterate the voice of the prophet in this prophetic season, I proclaim and pronounce that there are **Heavenly waves of glory approaching the earth** that have never been seen before and their current is changing as these waves are breaking forth on the surface of the earth, causing explosive tides of Money rain precipitating to the extreme ends of the world. There is a supernatural invasion of Heaven on earth as the current is changing, waves are shifting, and the clouds are raging, heralding the unfolding of a new season of Miracle money. In the same way that immediately there was a torrential downpour of heavy rain that overtook King Ahab and his chariot, suddenly the torrential downpour of the heavy rain of Miracle money will precipitate upon the masses to the extent of overtaking the leaders of government of nations such that they will be streaming in the direction of the church clamouring to know more about this new move of God so that they can find means to support it financially. Note that before Prophet Elijah was catapulted to the realm of prophetic perception to declare the abundance of rain, he first saw a cloud as small as a man’s hand and it was upon saturation of that small cloud that heavy rains invaded the natural realm. By the same token, the Miracle money cloud (which is a Glory cloud) as small as the man’s hand has already unravelled in the atmosphere as we have already felt the first sprinkles of a Miracle money revival sweeping right across the Body of Christ. It is unequivocally evident in this season that the atmosphere is ripe for believers to step into the realm of the undefinable, uncharted and unrecorded signs and wonders. The Miracle money cloud has been saturated such that it is ready to heavily precipitate upon the masses in the extreme ends of the earth. Heaven is pregnant with the possibilities of God. God is about to explode in the demonstration of Miracle money that will unravel the debilitating morass of poverty in which the masses have been entangled. This is unequivocally a ripe season for Miracle Money. I can sense it in the very atmosphere. Something unfamiliar to your status quo is about to unfold from the Throne Room. What a spectacular season to be alive and witness the enthralling move of the Spirit!

To substantiate this revelation with further reference to scriptural evidence, when God declared in Zechariah 10:1 that Ask me during the time of rain and I will give you showers of rain, He was talking about the abundant move of God and the unprecedented avalanche of the last wave of signs and wonders on earth. He was alluding in metaphoric language to the new manifestations of the Spirit which are unfolding from the Throne Room of Heaven

and precipitating directly upon the masses on earth like heavy rain. Miracle money is one of the new manifestations of this end time grace which shall fall directly from the Heaven like rain (Zechariah 10:1). The other translation reads “Ask the Lord for rain in the springtime, it is the Lord who sends the thunderstorms. He gives showers of rain to all people, and plants of the field to everyone.” Therefore, God says in this season of Miracle money, believers must be open enough to believe God to do the impossible and step up in faith to ask God for the rain of Miracle money from Heaven. As a demand for Miracle money is placed on Heaven by faith, God shall release torrents of Money rain to curtail the dryness of the earth’s economic climate. To cement this revelation with reference to further scriptural evidence, God further declared that,

“I will make them and the places around my hill a blessing, and I will cause the shower to come down in this season, there shall be showers of blessing. And the tree of the field shall yield her fruit, and the earth shall yield her increase, and they shall be safe in their land, and shall know that I am the Lord.”

In the context of this scripture, the word “shower” does not refer to the misconstrued “light shower” that religious people have taught or stigmatised. Instead, it means to shower financial rain or pour down Heaven’s financial blessings violently, hence there is such a thing as a rain or torrents of financial blessings. It describes the falling of financial blessings from the air in thick succession, a copious supply, abundant, plentiful, full, and rich, a falling of financial blessings from Heaven in great and large quantities. It speaks of a divine outpouring of Heaven’s humongous financial wealth upon the masses who believe God for the impossible. Therefore, as believers, we should be rightly positioned in the spirit to receive this downpour and torrent of abundant, liberal, excessive prosperity and provision coming down violently in thick succession from the floodgates of Heaven. Oral Roberts, a man who functioned in the realm of God’s prosperity for decades to the extent of building a World renowned university, concurs with this revelation and thus reiterates that God’s financial blessings are “Not just a trickle, not a stream, not a river but a flood.”

While in the natural realm folks would traditionally expect clouds to build up first in the sky and in some cases be accompanied by thunder and lightning before yielding any rain, in the realm of the spirit, God can manifest His sovereignty, glory and power anytime, anywhere even without you having to do anything. In a similar fashion in which a flood of water appeared supernaturally in a desert without anybody expecting it, Miracle money shall man-

7 Supernatural Dimensions of Financial Prosperity

ifest widely in unexpected places even without a church song, a preaching or any “Amen” from the congregation. Do you notice that water supernaturally appeared in the desert without any notice of wind, cloud, thunder or even rain, at such a time when no one would expect it to rain? By the same token, in this end time season, Miracle money shall appear in places and areas where no one would expect it to appear. In the same way a flood of water appeared in a desert without any notice, symptom or sign of rain (2 Kings 3:17), in this Kairos moment, money shall supernaturally appear in people’s bank accounts even without making any investments and property shall be obtained by believers even without making any deposits, glory to God!.

CHAPTER SEVEN

THE SEVENTH DIMENSION: THE DIMENSION OF SUPERNATURAL ANGELIC DEPOSITS:

An angelic deposit represents a direct supernatural deposit of money by angels of finances into people's bank accounts, wallets, pockets or bags, usually during worship sessions or spiritual gatherings, without a trace of how it got there in the natural realm.

This is a direct supernatural deposit of money into people's bank accounts especially during worship or demonstration sessions by *angel tellers* operating in the spirit realm. In the realm of God's prosperity, angels regulate the economy of the Kingdom of God and are actively involved in the invisible realm by supernaturally depositing money in the bank accounts of believers. Hence, there is in the realm of prosperity such a thing as *angelic deposits*. In the light of this revelation, believers must there-

7 Supernatural Dimensions of Financial Prosperity

fore be awakened to the reality that money is spiritual and as much as it is widely used in the natural realm as a medium of exchange, the original blue print of it is in Heaven, hence angels have control and access to distribute and deposit money supernaturally. Angelic deposits are therefore one of the ways through which God distributes millions of wealth in this end time dispensation to its intended purpose. During such sacred moments in God's presence, as a minister demonstrates Miracle money, either through commanding it into manifestation, blowing it forth through a microphone or waving hands towards the people, the congregation instantly receives messages in their phones alerting them of money that has been deposited. This is a supernatural work of angels in the invisible realm whose effects or results are visibly and tangibly seen in the physical realm. It transcends the realm of senses, hence it cannot be comprehended, mastered or fathomed by the human mind. Even the world's most intelligent Banker cannot trace Miracle Money because it is a divine orchestration that supersedes human wisdom. God's wisdom is greater than the most intelligent banker in this world. It happens that as people are worshiping and the grace for supernatural manifestation of Miracle money is demonstrated, money falls physically into people's bags, pockets and wallets and as they are instructed by the minister to search, they find it slipped in unexpected places. In some instances, a minister can even be catapulted to a dimension of *forensic prophecy* or prophetic accuracy whereby he declares the exact amount of money which should appear, where it should appear, and the exact currency in which it should manifest. This is the supernatural work of God which defies human reasoning and dazzles the minds of spectators. Behind the scenes, as people are gathered in worship, angels are activated or released in the invisible realm such that they start depositing money into these unexpected places. To authenticate the validity of Miracle money, in some cases, *angel feathers* representing the presence of angels are found lying on the floor, hanging on people's clothes or floating in the air in territories where Miracle money would have been manifested. This is similar to the sudden appearance of water in a desert without a sign of rain, as recorded in the scriptures (2 Kings 3:17). This implies that there was a supernatural transfer of rain or water from the spirit realm into the natural realm for people to partake of. Remember that *Manna* the food of angels was released directly from Heaven into the natural realm to be used as food for the people to eat. It was not something that was manufactured in the earthly

Apostle Frequency Revelator

realm and then given to people. Instead, it came directly from Heaven, just like the falling of rain.

The Bible declares in Hagai 2:8; Joshua 6:19 that *Silver and gold belongs to God and that He has given it to the Son*. This implies that in the capacity of sons of God and co-heirs with Christ, we are entitled to a full possession of money or wealth in all its currencies under Heaven. Therefore, God can supernaturally deposit that wealth anytime, anywhere and in whatever form through the work of angels as we take up our positions of son-ship to place a demand on it by faith.

The greater truth is that Angel Tellers play a key role in making Angelic deposits in the same way Bank Tellers process deposits and other financial transactions in the natural realm.

The greatest challenge facing the masses is that lack of revelation and ignorance is what robs people of their right to fully partake or participate in the supernatural manifestation of the blessings of God because you cannot walk into what has not been revealed to you. The major challenge in the Body of Christ today besides issues of denominational tension is lack of understanding of God's system of governance and financial provision. According to God's system of governance, He has placed the money in the spirit realm under the close supervision of angels. The problem is that many believers are crying out to God for financial breakthrough but they don't know where the real money is. It's tantamount to a civilian who cries to the President of a country to help him withdraw his money from a bank, but then runs the risk of not receiving any help. This is because although the President owns the country, the money might not be directly in his hands but committed to the Reserve Bank under the close supervision of the Governor. This is a quintessence of the system in God's economy because as it is the natural, so it is in the spirit realm.

The greater truth is that the money that you need to impact the world is in the realm of the spirit, governed and committed into the hands of angels of finances, hence you need to rigorously engage angels of God for its release. Knowing where the money is and in whose hands the wealth of the Kingdom has been committed is such an important element to the release of your financial breakthrough. In most cases, the person who deposits the money might not necessarily be the owner of the money but a messenger sent to deposit it, in the same way angels are sent to distribute Miracle money.

7 Supernatural Dimensions of Financial Prosperity

Knowing how to get the money from God's hand is therefore an imperative action. It must be understood therefore that God will not change His laws to accommodate your ignorance. Instead, He has established spiritual laws and set in place a system by which He governs the whole universe, hence it's up to you to know His system of governance so that you can operate accordingly. Developing a high level of sensitivity to angelic presence and knowing how to recognise and commission angels to go and gather your blessings is such a vital key to the ultimate manifestation of your millions of wealth in the form of Miracle money.

There is another dimension of Angelic deposits called *Supernatural Financial Cash receipts*. This involves the act of receiving Miracle money directly from the hands of angels in a direct natural encounter in the physical realm. This entails a visible appearance of angels handing over money into the hands of believers in a confrontational physical encounter in the natural realm. In this end time season, the spirit realm is no longer a mystery to believers any more. Instead, angels shall be seen in broad day light and they shall no longer be a mystery as Heaven is manifesting itself directly on the earthly realm. As this grace intensifies and Heavens manifest itself unreservedly on earth, culminating in what seems to be a *Heaven-on-earth sphere of existence*, some people shall physically receive money from the hands of angels. Angelic encounters shall become a common experience and Miracle money, the order of the day. In the same way an angel baked nice cakes for Elijah, angels shall manifest in the physical realm to visibly hand over money and food parcels to believers in need. In some cases, believers shall meet people whom they have never seen before who shall hand over millions in money into their hands and then disappear even without saying a word.

Paul cautioned us as believers *never to forget to entertain angels for some entertained strangers unaware* (Hebrews 13:2). But how can someone mistake an angel for a stranger? It's because at times not only do angels appear in an apparition form but in bodily form just like humans. This denotes a transition from a *Hazqah* to a *Mara* experience in the angelic realm. In this end time seasons, angelic manifestation will be heightened to a level whereby angels manifest in a physical form to give money to God's people. However, it is important that one be opened and sensitive to their visitation so that he may not miss out on some crucial financial blessings. When an angel cooked cakes for Elijah, this was a preview of the greater manifestation of angelic activity in the end times. The greater truth is that every miracle that happened in Old Testament is always pointing to something powerful yet to take place in the

end times. The Bible records an incident whereby angels opened the prison gate and took Paul out of prison. In a like manner, angels shall manifest visibly in the natural realm such that they will take believers out of the prison of their financial lack into the realm of abundance. In this end time season characterised by a heightened degree of angelic manifestation in which God is expediting His work, many believers shall meet, talk, work and walk with angels in a natural setting. No longer shall angels be a mystery but a common phenomenon as believers walk in the supernatural. In a similar fashion in which Elijah encountered an angel who baked cakes and presented him with water, many shall encounter angels who shall present them with money, food, gifts and other financial resources in a natural setting. In that realm, you will not have to pray or see a vision in order to experience an angelic encounter because angels will be physically littering the streets, market places and the public arena. This angelic manifestation and visibility shall become a wide spread global phenomenon to the extent that some will be visiting churches, people's homes and other unexpected territories. You will encounter angels and communicate with them as if you are communicating with people in the natural realm.

THE AUTHOR'S PROFILE

Frequency Revelator is an apostle, called by God through His grace to minister the Gospel of the Lord Jesus Christ to all the nations of the world. He is a television minister, lecturer and gifted author, whose writings are Holy Ghost breathings that unveil consistent streams of fresh revelations straight from the Throne Room of Heaven. He is the president, founder and vision bearer of Frequency Revelator Ministries (FRM), a worldwide multiracial ministry that encompasses a myriad of movements with divine visions such as Resurrection Embassy (*The Global Church*), Christ Resurrection Movement (CRM) (*a Global movement for raising the dead*), the Global Apostolic & Prophetic Network (GAP) (*a Network of apostles, prophets and fivefold ministers across the globe*), Revival For Southern Africa (REFOSA) (*a Regional power-packed vision for Southern Africa*) and the Global Destiny Publishing House (GDP) (*the Ministry's publishing company*). The primary vision of this global ministry is to propagate the resurrection power of Christ from the Throne Room of Heaven to the extreme ends of the world and to launch the world into the greater depths of the miraculous. It is for this reason that Frequency Revelator Ministries (FRM) drives divergent apostolic and prophetic ministry visions and spiritual programmes such as the Global School of Resurrection (GSR), Global Resurrection Centre (GRC), the Global Healing Centre (GHC), Global School of Miracles, Signs and Wonders (SMSW), Global School of Kingdom Millionaires (SKM), Global Campus Ministry as well as Resurrection Conferences, Seminars and Training Centers. To fulfil its global mandate of soul winning, the ministry spearheads the Heavens' Broadcasting Commission (HBC) on television, a strategic ministerial initiative that broadcasts ministry programmes via the Dead Raising Channel (*a.k.a Resurrection TV*) and other Christian Television networks around the world.

Presiding over a global network of apostolic and prophetic visions, Apostle

Apostle Frequency Revelator

Frequency Revelator considers universities, colleges, high schools and other centers of learning as critical in fulfilling God's purpose and reaching the world for Christ, especially in this end-time season. As a Signs and Wonders Movement, the ministry hosts training sessions at the Global School of Resurrection (GSR) which includes but not limited to, impartation and activation of the gifts of the Spirit, prophetic declaration and ministration, invocations of open visions, angelic encounters and Throne Room visitations, revelational teachings, coaching and mentorship as well as Holy Ghost ministerial training sessions on how to practically raise the dead. This global ministry is therefore characterized by a deep revelation of God's word accompanied by a practical demonstration of God's power through miracles, signs and wonders manifested in raising cripples from wheel chairs, opening the eyes of the blind, unlocking the speech of the dumb, blasting off the ears of the deaf and raising the dead, as a manifestation of the finished works of the cross by the Lord Jesus Christ. The ministry is also punctuated with a plethora of manifestations of the wealth of Heaven through miracle money, coupled with the golden rain of gold dust, silver stones, supernatural oil and a torrent of creative miracles such as the development of the original blue print of body parts on bodily territories where they previously did not exist, germination of hair on bald heads, weight loss and gain, as well as instantaneous healings from HIV/AIDS, cancer, diabetes and every manner of sickness and disease which doctors have declared as incurable.

The author has written a collection of 21 anointed books, which include *The Realm of Power to Raise the Dead*, *How to become a Kingdom Millionaire*, *Deeper Revelations of The Anointing*, *Practical Demonstrations of The Anointing*, *How to Operate in the Realm of the Miraculous*, *The Realm of Glory*, *Unveiling the Mystery of Miracle Money*, *New Revelations of Faith*, *A Divine Revelation of the Supernatural Realm*, *The Prophetic Move of the Holy Spirit in the Contemporary Global Arena*, *The Ministry of Angels in the World Today*, *Kingdom Spiritual Laws and Principles*, *Divine Rights and Privileges of a Believer*, *Keys to Unlocking the Supernatural*, *The Prophetic Dimension*, *The Dynamics of God's Word*, *The Practice of God's Presence*, *Times of Refreshing and Restoration*, *The Power of Praying in the Throne Room*, *The End Time Revelations of Jesus Christ and Rain of Revelations*, which is a daily devotional concordance comprising a yearly record of 365 fresh revelations straight from the Throne Room of God.

Apostle Frequency Revelator resides in South Africa and he is a graduate of Fort Hare University, where his ministry took off. However, as a global minister, his ministry incorporates prophecy, deliverance and miracle healing

crusades in the United Kingdom (UK), Southern Africa, India, Australia, USA, Canada and a dense network of ministry visions that covers the rest of the world. As a custodian of God's resurrection power, the apostle has been given a divine mandate from Heaven to raise a new breed of Apostles, Prophets, Pastors, Evangelists, Teachers, Kingdom Millionaires and Miracle Workers (*Dead raisers*) who shall propagate the world with the gospel of the Lord Jesus Christ and practically demonstrate His resurrection power through miracles, signs and wonders manifested in raising people from the dead, thereby launching the world in to the greater depths of the miraculous. To that effect, a conducive platform is therefore enacted for global impartation, mentorship, training and equipping ministers of the gospel for the work of ministry. Notable is the realization that the ministry ushers a new wave of signs and wonders that catapults the Body of Christ into higher realms of glory in which raising the dead is a common occurrence and demonstrating the viscosity of the glory of God in a visible and tangible manner is the order of the day. Having been mightily used by God to raise the dead, in this book, Apostle Frequency Revelator presents a practical model of how one can tap into the realm of God's resurrection power to raise the dead, impact the nations of the world and usher an unprecedented avalanche of billions of souls into the Kingdom, Glory to Jesus! May His Name be gloried, praised and honored forever more!
